

Cell Phone & Smart Device Policy

August, 2024

I understand that my child is required to turn their cell phone/smart device into the teacher at the beginning of every class with no exception. It is preferred that students leave their cell phones or smart devices in their car or locker throughout the day. If they choose to carry them they will be required to turn them in as they enter the classroom.

Consequences for not following above policy:

1st Offense:

Phone confiscated for the day, student must pick up from administration at the end of the day.

2nd Offense

Phone confiscated for the day and must be retrieved by parents/guardians from administration.

Subsequent offenses

Will be handed on a case by case basis, in-school suspensions, out of school suspensions, cell phone banned for the rest of the year all are possible consequences.
