

## **Hyannis Area Schools**

### **ESSER III Grant Funds**

#### **Suggested expenditures:**

- 1) To address learning loss resulting from the Covid-19 Closure in the spring of 2020, Hyannis Area Schools is adding a .5 Title position that will focus on mathematic skills.**
  
- 2) Funds will be used to update the lecture hall flooring to make the area a safer, cleaner area for students and community functions.**
  
- 3) Funds will be used to replace the flooring in our cafeteria area, again making the area a safer, cleaner area for students and staff.**
  
- 4) K-6 Science Curriculum will be researched and curriculum that best fits our needs and community standards will be selected.**

**The community suggestions for ESSER III expenditures are welcomed. Please email Travis Hawk any suggestions or input on the above list that you may have.**
