## Band Conference

*By: Jillian Taylor*

This Wednesday the choir of Hyannis area school will be heading to Scottsbluff to have a valuable learning session with a choir professional. The choir will be singing 3 songs. Those songs include Wade In The Water, Jambo Rafikie, and America. At the end of the day, the choir will group up with other schools and have a presentation. The choir will be at the Western Community College where last year at this time the band took a trip to Scottsbluff and had help from an assistant director. It was a very educational moment for the band. Many Choir students hope to learn from this experience and gain new friends from this opportunity. Mrs. Anderson says that on October 30, the choir will rehearse from 9:00 A.m. to 2:30 p.m. And at the very end of the conference, they will have a concert at 3:00 p.m.

## MISSOULA

*By: Anna Anderson*

Missoula took place September 30 - October 5. The play was The Pied Piper. It took place on Saturday, October 5th, and was enjoyable to watch. I interviewed Natalie Vinton who played the role of the Mayor's Daughter in the play. She said her favorite part of the play was, "Just being there." I asked her what her favorite scene was and she said it was where the Mayor got pied in the face. I also interviewed Royce Smith who played as Town Council 1. He said his favorite part was mealtime when everyone was eating and telling jokes. He said his favorite scene was when The Piper told the Mayor to Pay up. It sounded like the actors enjoyed the play so what about the directors? I interviewed Mr. Casper who said he enjoyed seeing the kids open up and show their true selves. His favorite rolls played were Council 1 played by Royce Smith, the Piper played by Helena Vinton, and Sara the Orphan played by Anna Anderson. He also enjoyed watching the Mice. He said he enjoys coordinating the play and his favorite scene was when the kids come back and the town learns to be less selfish and to care about others. In conclusion, many enjoyed the show and it was a great experience for many.

## One Act

*By: Raylynn Hunt*

We are thrilled to announce that our One Act Team shone brightly at this year's Gothenburg Festival, winning the prestigious Outstanding Comedy award! Their hard work and dedication truly paid off, showcasing exceptional talent and creativity that delighted the audience. A special shoutout to Gary and Raylynn, who received All Star Actor honors for their outstanding performances. Their ability to bring characters to life was a highlight of the show. Additionally, Beau and Kash were recognized as Outstanding Actors, demonstrating remarkable skill and stage presence that captivated everyone in attendance. This achievement is a testament to the teamwork and commitment of our entire cast and crew. Thank you to everyone who supported our team and contributed to this incredible success. We can't wait to see what they will accomplish next!

## JH VBALL UPDATE

*By: Daisy Frye*

As the Junior High Volleyball season has come to an end we ended at 3-6. This year was the first year that the team was coached by Angie Hemstra. With Mrs. Hemstra's 30 years of experience in coaching the girls learned outstanding sportsmanship, and the new ways of coaching brought the girls to learn lots of new skills and new difficult levels of the game. Tenley is in the sixth grade, she was our B-team, outside hitter. Tenley's favorite memory is everyone getting hyped on the court, she improved on passing, and she met her serving goals. Kinze is a seventh grader who was on our A-team Lebraro. Kenzie's favorite memory was a play that was continuous saves, she believes we improved in our mental strength, and she got the position she wanted. Jillian is an eighth grader. Jillian was our A-team back row left player, her favorite memory is her underhand serve aces, she improved on passing, and she met all of her goals. It is sad to say goodbye to our 8th graders Anna Anderson, Kaia Carr, Daisy Frye, Racquel Hunt, Helena Vinton, and Jillian Taylor. Their favorite team memory is our celebration after our win against Alliance. Congratulations to the girls this year and best of luck to you all in the future!!

## JH FOOTBALL UPDATE

*By: Tripp Drieling and Colter Grant*

Congratulations to the JH football team on an outstanding nearly undefeated season! You all played exceptionally well, especially in Dundy County. Your hard work and determination really showed. Waylon Hebbert had a fantastic year as a running back. He expressed his goal of going undefeated next season and noted that if the offensive line improves their blocking, it could help enhance the running game and allow Seth to make more accurate passes. Seth Ferguson, the quarterback, also had a strong season and shared his aspiration to achieve an undefeated record next year. He mentioned that he wants to improve his ability to read plays more effectively. Overall, the junior high team had a remarkable season, and the eighth graders are well-prepared for their next challenges. Everyone will miss them, and we're optimistic that the incoming sixth graders will step up and contribute to the team's success!

## Varsity Volleyball Recap

*By: Racquel Hunt*

As the Hyannis High School volleyball season slowly comes to an end the girls have improved since the beginning of the season. The team ended their season with a record of 8-24. On October 21 the girls' played in a triangular at Hyannis High School. They won their first game against the Crawford Rams, with the first set of 25- 23 and the second set of 25-15 which was both won by the Hyannis Longhorns. They finished their season with a great game against Mullen. Joia believes that as a team they have improved in passing, setting, and hitting. She also said that they improved with their mindset. Joia's favorite memory/part of volleyball is their volleyball games because they get to see how much they have improved in practice. The team is excited for the next volleyball season. They can not wait to see their improvement from the off-season hard work.

## Varsity Football Recap

*By: Hunter Cover and Dillon Hebbert*

This week, the Hyannis High School football team played the Overton Eagles in the state playoffs. Travis Hawk, Brady Fulmer, and Zane Connell coach the Longhorns. Senior Ben Connell says they have had a lot of good games and done a lot of good things this year. Ben says that the team is more of a family and Leadership and lower-classmen have been key to the Longhorn's success this season. The freshmen have stepped up and several that started on the team. They think that everyone will be ready for the next season and that the team values will carry on. The whole team played a great season and is looking forward to the playoffs. They were excited for the playoffs but they came short when they played Overton. We are proud of how the season ended, we will miss the seniors. The rest of the team is looking forward to next season and hopes that they will improve.

## Halloween Parties

The students had a lot of fun playing different games like bingo, grabbing the pumpkin, and throwing the football through the mouth of the pumpkin.

The Elementary Halloween Party.

## Senior Spotlight: Kutter Acord

*By: Raylynn Hunt*

Kutter was born in Glenwood Spring Co, he was raised by his mom Kalene Acord, and his dad Buck Ireland. Kutter enjoys spending time with his siblings Kashley, Kwincee, Laniece, and Slaid. When Kutter graduates high school he wants to attend college in Texas. Kutter's biggest achievements in high school were playing basketball and winning the PAC Conference, along with getting on a couple of broncs. He participated in some extracurricular activities such as rodeo, basketball, and football. Something that Kutter wishes that he would have done was go out for basketball when Max Kostman was a senior. We wish Kutter the best of luck in the rest of his senior year and his future.

## Senior Spotlight: Myles Anderson

*By: Raylynn Hunt*

Myles Anderson was born in North Platte NE. He was raised by Kevin and Rosemary Anderson. Myles's siblings are Gavin, Rylee, Henery, Dagny and Saoirse. When Myles graduates he plans on staying at the ranch and working there that summer then heading out to Texas for college in August. He states that his biggest influence has been his dad because they have a lot in common and he has a lot to teach him. Myles says that his biggest achievements in school have been getting better at doing his schoolwork and getting better grades. Something that Myles is going to miss about high school and not seeing the people that he gets to talk to every day. Hyannis wishes Myles the best of luck for the rest of his high school year and throughout college.

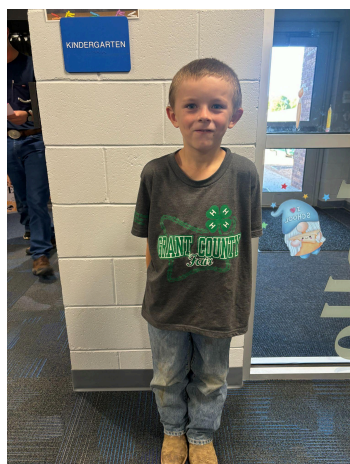

## KINDERGARTEN SPOTLIGHT

### John Cogar

John has one sibling and his favorite color is black. If John had a million dollars he would buy stuff for the ranch such as cowboy hats.

### Kyson Adam

Kyson loves watching his favorite TV show Wild Kratts with his best friend Kirby. Kyson's favorite animal is a zebra and his favorite food is spaghetti. Maybe Kyson will be able to work with zebras sometime when he becomes a vet.

### Saoirse Anderson

Saoirse is five years old, she has five siblings (Gavin, Rylee, Myles, Henry, and Dagny). Her favorite song is anything that is sung by Taylor Swift. Saoirse wants to be a teacher when she grows up and her best friend is her sister Dagny.
