

# HYANNIS LONGHORNS

*Staying in the loop with Hyannis Area Schools*

## STATE ROBOTICS

*By Gary Brennemann*

On Saturday, Feb. 18, the Hyannis Sandbots Robotic team drove to Columbus, Nebraska, to compete in the State Robotic competition. The competition started at 8:00 am. In the morning, the six-person team presented their innovation speech, robot summary, and core values to a panel of judges in a half-hour judging session. The teams then returned to the Pit Area and prepared for their robot games practice round. The competition was held at the Central Community College of Columbus. The Robot Games were held in the gym of the college. The teams had a table and area to rest in the gym as well. In the afternoon, the Sandbots competed in three rounds of competition robot games. They scored very well and placed mid-range in the robot games. They placed second in core values and earned a trophy. Of the forty teams, the Sandbots weren't in the top two to go to nationals, but they were very successful and did a fantastic job!

## HAWK'S NEST

*By Mr. Hawk*

It is very hard to believe, but we have said goodbye to February and hopefully colder weather and turned the page to March. This means the 3rd quarter will be coming to an end very soon, and we are on the home stretch of the 2022-23 school year.

I want to thank all those who turned out for our visioning session at the beginning of February. District leadership has been reviewing the feedback from these patron and student sessions. District leadership will be prioritizing these items and making a plan to achieve the highest priority items. The feedback was absolutely amazing and played an important part in our continuous school improvement process.

As spring finally makes the way to our area and families begin making summer plans, I hope a strategy to continue reading over the summer can be part of those plans. Reading for just 15-30 minutes a day can help prevent learning loss that occurs over the summer. Forbes magazine, in a recent article on summer learning loss, estimates that, on average, 40% of what is achieved throughout a normal school year is lost during the summer months. A key strategy to help slow or prevent this learning loss is to continue reading.

The educators of this district feel so lucky to work in such a supportive community. We truly are blessed to call this community home. Thank you to everyone for their ongoing support of our great district.

## WRESTLING WRAPS UP

*By Danny Taylor*

Wrestling: the long but short season is now over. At the start of February, we had two weeks of practice. We mainly focussed on maintaining our weight and perfecting our wrestling moves. On February 10th, we went down to Sutherland to wrestle in Districts. This was a two-day tournament, so after the first day of wrestling, we went to North Platte, so we didn't have to drive clear home. On the second day, Trevor and Zeek wrestled, but sadly Trevor lost a round and was knocked out. Zeek went on to wrestle for 1st, but he placed 2nd at Districts overall. Zeek was the only Hyannis Longhorn to make it to state in wrestling. Zeke wrestled two rounds on the first day. He won his first match but lost his second one. On the second day, he started out with a boom and won his first match but sadly lost the last match of his high school career. The Hyannis Longhorn wrestling team had a good season, and we wish them many more! Big thank you to coaches Hunter and Jarod Spurlin, administration, parents, and athletes for a great season.

Zeek Heaton stands on the podium at District wrestling.

## LONGHORN WOMEN'S BASKETBALL COMES TO AN END

*By Juliana Merrihew*

The Hyannis Girls Basketball season has come to an end this month. The team played hard and learned so much throughout the year. The month started off with a home game against the Hay Spring Hawks. The girls gave it all on the court but ended up losing 50-43. Next, the team traveled to Leyton. It was another close game, with the girls fighting hard. Unfortunately, they couldn't quite pull out a win, and the final score was 63-47. On February 7th, the team traveled to Garden County. It was an exciting game. The girls won with a buzzer-beater 3-point shot by Ami Evans! The final score was 34-33. The team's last regular-season game and also last home game was against the Potter-Dix coyotes. The girls played hard and won 40-37! Subdistricts started on the 14th in Hay Springs. The lady longhorns played Mullen. It was a tough game, and they lost 26-42. It was a hard end to the season, but we are proud of our Lady Longhorns and wish them luck next season! Thank you coaches, managers, parents, and admin for helping us out this season.

Senior Girls: Rylee Anderson, Ami Evans, and Juliana Merrihew

## HHS MEN'S BASKETBALL COMES TO A CLOSE

*By Parker Provost*

The Longhorns started out the month playing the Hay Springs Hawks on the 3rd. They put on a home-town show, winning with a score of 82-50. The next day they traveled to Dalton to face the Leyton Warriors, who were 18-0 at the time. The match-up was back and forth all game, but the bout was finished with the Longhorns on top, with a score of 61-55. The next week Hyannis Boys Basketball traveled to Oshkosh to face the Garden County Eagles on the 7th. The boys were able to soundly defeat the Eagles with a score of 61-40. The boys didn't have another game until Saturday, the 11th. The Potter-Dix Coyotes traveled down to Hyannis for the last home game of the year. The game was one to keep you on the edge of your seat but the Longhorns were sadly defeated 54-52. Despite the loss, Max Kostman was able to achieve 1,000 career points in this game!

The Longhorns had their final regular season game of the year against Sandhills-Thedford. The Longhorns fought hard but were defeated in four tough quarters. Sub-Districts began on Feb 17th where the Longhorns were faced up against the Paxton Tigers. They gave it their all but fell short and were sadly eliminated from state tournament contention. We would like to give a big thanks to the HHS seniors as well as coaches, parents, and administration for the great season!

Basketball players celebrate with Max Kostman and his 1000 career points!

### ACA DECA TEAM COMPETES AT STATE

*By Juliana Merrihew*

On February 17th, the Hyannis Aca Deca team traveled to compete at State. They left early Friday morning and drove to Bellvue University. That evening, they took part in the first part of the competition: the interview, impromptu questions, and speech. The next day, they went back to the University to complete the test section. Throughout the morning, the kids took tests covering literature, math, science, art, and music.

The afternoon started with the Super Quiz! All of the teams sat in front of a crowd and answered history questions about the American Revolution.

The awards ceremony took place after the Super Quiz. Juliana Merrihew received a gold medal for her essay in the small school group. She also received a medal as the high scorer for her team. Ely Van Renan received the most medals. He placed third in art, music, literature, and economics, and received a gold medal in math and science!

The team worked very hard. A big thank you to coach Cheyanne Volz for all of her hard work throughout the season!

The Aca Deca team with coach Cheyanne Volz

### VISIONING SESSION

*By Juliana Merrihew*

Hyannis Area Schools held visioning sessions on February 2nd to talk about future hopes and dreams for the school. The sessions were led by Jana Jenson and Denise Garey and took place in the lecture hall.

The student session began at 1 pm with grades 6-12. It started off with each kid saying a positive word that they associate with the school. Next, they wrote down their big ideas on notecards and put them up on the bulletin board. By the end, it was full of dreams for the school including new sports facilities, daycare, and an updated science lab.

The adult session took place at 6 pm that evening. It began with a tour of the school. Parents were able to see the new improvements that have already been implemented. Then, they met up in the lecture hall to share their ideas for the future.

Overall, the visioning sessions were very enlightening. It was awesome to hear from teachers, students, and parents about what they want to see in the coming years. There are big dreams for Hyannis Area Schools. The school would like to give a big thank you to Jana Jenson, and Denise Garey for putting on the visioning session and a big thank you to Mr. Hawk for organizing it!

Students fill the bulletin board with their ideas.

## RANDOM ACTS OF KINDNESS DAY

*By Amanda Davis*

National Random Acts of Kindness Day was February 17th, 2023. To celebrate, the 6th-grade students delivered bags of “kindness” filled with treats school-wide to the staff. Fun was had by all!

The 6th Grade delivers treats to the kitchen

The 6th Grade stands in front of their “Choose to be Kind” poster. L to R: Georgie Carr, Dylan Hebbert, Mrs. Davis, Daisy Frye, Colter Grant, Tripp Drieling, Anna Anderson, Raquel Hunt, Helena Vinton, and Jillian Taylor.

Daisy Frye delivers a bag of treats to Mr. Casper

Anna Anderson hands some goodies to Mrs. Rath.

The kids visit Sandy in the office to deliver her a bag of treats and thank her for all of her hard work!

### JH GIRLS BASKETBALL FINISHES THE SEASON

*By Juliana Merrihew*

The girl's Junior High basketball team recently finished their season. The girls played hard and had a lot of fun. They started out the season by hosting a tournament on February 4th. teams that competed included Sandhills-Thedford, Sandhills Valley, and Cody-Kilgore. The girls played hard but were beaten by Sandhills-Thedford in the first round. They played Cody-Kilgore next, and won! Overall, they placed third in the tournament.

Next, the Longhorns faced off in a rematch against Sandhills-Thedford. Sadly, they were unable to accomplish a win. The girls were scheduled to play Creek Valley for the last game of the season, but due to the weather, the game was canceled.

The Junior High Lady Longhorns worked hard all season through the ups and downs, and they are already looking forward to next year! Thanks to coach Krysta Hampton and the girls for a great season!

Bottom: Georgie Carr, Joia Merrihew, Molly Burgess, Addie Arnold, Anna Anderson

### JH BOYS BASKETBALL ENDS

*By Parker Provost*

The month of February was a very eventful month for Junior High Boys Basketball. The first games of the month started on Saturday, the 4th when the Longhorns hosted a tournament in Hyannis. The four teams attending were Sandhills-Thedford, Cody-Kilgore, Sandhills Valley, and Hyannis. In the first round, Hyannis beat the Sandhills Valley Mavericks with a score of 39-15. They advanced on to the championship to play Sandhills-Thedford where they won in the overtime thriller 40-37.

The following week, the Longhorns had a season finale rematch with the S-T Knights. The Longhorns fought hard but were sadly defeated 40-23. The B team secured the win, however, with a score of 9-4 in 2 quarters.

We would like to congratulate the Hyannis Boys Junior High Basketball team as well as Coach Dan Schroer on their successful year and the impressive record of 6-2.

Back row, L to R: Landon Leonard, Levi Merrihew, Hunter Cover, Ian Anderson, Cayden Sheets

Front Row: Colin Woerner, Dillon Hebbert, Kash Provost, Tripp Drieling, Colter Grant, Kanen Grant

## GOOO BIG BLUE: CHEER CAMP

*By Juliana Merrihew*

Gooo Big Blue! You've probably noticed the Hyannis cheerleaders standing ready at the baseline during basketball games. Their sparkly blue uniforms and glittering pom poms are enough to make anyone want to be a cheerleader. Recently, grades 3rd through 6th had a chance to become cheerleaders during cheer camp! The girls met after school to learn cheers and rehearse their dance performance. Ami Evans (senior), Rylee Anderson (senior), and Regan Anderson (junior) put on the camp with help from Nancy Anderson, the cheer coach. After the camp, the girls were given t-shirts and sparkly bows. At half-time of the boy's basketball game that evening, they ran out onto the court to perform for the audience. They started by leading the audience through several cheers. Next, they performed a choreographed dance to "What Makes You Beautiful" by One Direction. The dance went smoothly and ended with a grand finale where several of the girls did cartwheels and high kicks. They ran off the court to a standing ovation from the crowd. The cheer camp was a great opportunity to train future cheerleaders. Hopefully, in a few years, these girls will be standing on the baseline too, yelling "Gooo Big Blue!"

Top: Rylee, Regan, Sierra, Clara, Jillian, Anna, Kinzie, Ami  
Bottom: Everleigh, Tylinn, Shaylee, Clara, Sadie, and Shaylee

## SPELLING BEE

*By Kade Olson*

February 10th the annual Hyannis spelling bee kicked off. There were 16 kids that entered the spelling bee. These kids ranged from Kindergarten to 6th grade. The contestants started the Spelling Bee off by introducing themselves. 1st graders: Dagny Anderson and Zane Adams. 2nd graders: Josie Adam, Sarah Vinton, and Braxton Adam. 3rd graders: Turner Anderson, Sierra Hampton, and Shaylee Provost. 4th graders: Brecken Cover, Landon Boppre, and Luke Ferguson. 5th graders: Kinzie Provost and Clara Rice. 6th graders: Helena Vinton, Hunter Cover, and Anna Anderson. The judges for the Spelling Bee were Mrs. Volz the 9-12 English teacher, Mrs. Gentry the One Act/ Speech teacher for Hyannis Area Schools, and last but not least, Mrs. Garner the retired English teacher for Hyannis high.

There were 2 contestants that missed spelling their words in the first round. The second round really shocked the audience by eliminating 5 contestants. This was the biggest elimination of all the rounds. The winner of the 2023 Hyannis area schools Spelling Bee was Clara Rice, a 5th grader! Sierra Hampton came in second place as a 3rd grader! Shaylee Provost came in third place also as a 3rd grader!!

L to R: Shaylee Provost, Clara Rice, and Sierra Hampton

## **MISSOULA CHILDREN'S THEATRE ARTIST IN RESIDENCE WEEK PRESENTS: *THE FROG PRINCE***

*By Mr. Casper*

Deep in the royal swamp, a lonely Frog retrieves a golden ball for Princess Prim in exchange for friendship and comfort. The selfish princess doesn't want to live up to her part of the bargain and puts her royal Knights on alert, so the trouble begins. Luckily, Frog gets some good advice from Ollie the wise old Aspen tree, the well-read Alligator, and the kindly Swamp Things. The Ducks, a busy Fly, and dancing Flamingos also come to Frog's assistance as the Frog's kindly servant tirelessly tries to set things right. Even the kindly Princess Proper and spunky Princess Peppy get involved and, despite the trouble caused by the mischievous Venus Fly Traps, all ends happily. Our hero becomes a Prince (formerly known as Frog) and realizes that friendships are made, not bought—and he discovers that it is not *what* you are but *who* you are that counts. (Conceived and Written by Michael McGill; Music and Lyrics by Michael McGill; Additional Music by Rebecca McGill)

An audition will be held for the Missoula Children's Theatre's production of THE FROG PRINCE Monday, March 20th in the Hyannis Area Schools Lecture Hall from 3:30 pm to 5:30 pm. Those auditioning should arrive right after school and plan to stay for the full two hours. Some of the cast members will be asked to stay for a rehearsal immediately following the audition running from 5:45. to about 7:45 pm.

Among the roles to be cast are three sisters – who also happen to be Princesses, two students to play the lonely Frog, Ollie the Aspen Tree, bumbling Knights, kindly Swamp Things, the well-read Alligator, fancy Flamingos, helpful Ducks, a busy Fly, and the mischievous Venus Fly Traps. All students, grades kindergarten through 8<sup>th</sup> grade, are encouraged to audition. No advance preparation is necessary.

The Missoula Children's Theatre touring productions are complete with costumes, scenery, props, and makeup, although makeup is not currently being used. The MCT Tour Actor/Directors will conduct rehearsals throughout the week from 3:30 pm to 7:45 pm each day.

THE FROG PRINCE will be presented on Saturday, March 25th at 7 pm in the Hyannis Area Schools Lecture Hall. The Missoula Children's Theatre residency in Hyannis is brought to you by Hyannis Areas Schools with support from the Nebraska Arts Council and the Nebraska Cultural Endowment.

For more information, call Hyannis Area Schools (308)458-2202 and ask for Austin Casper or Sandy Yorges, or email Austin Casper at [austincasper@hyannislonghorns.org](mailto:austincasper@hyannislonghorns.org).

### THE GREAT KEVIN KOSTMAN

*By Ben Connell*

At Hyannis' final home game of the season, our community was given the opportunity to honor the great Kevin Kostman. Kevin coached at Hyannis for 27 years before retiring in 2022. He had an illustrious career as a coach at Hyannis and was fortunate enough to watch his son, Cody Kostman, and two grandsons, Max and Liam Kostman, pass through and succeed in the Hyannis program. On this night Kevin was also presented with a signed basketball by all of his previous players, which was presented by Richard and Robert Evans. A speech was also given highlighting Kevin's impact on his past players and recollecting some of the highlights of his career. The night ended with a picture including Kevin and his past players. We are so thankful for what Kevin has done for the basketball program at Hyannis and how he has positively impacted so many lives in our community.

Richard and Robert Evans present Kevin Kostman with a signed basketball while the players he has coached give a round of applause.

### 100 DAYS OF SCHOOL PARTY

*By Jorja Grover*

The elementary celebrated the 100th day of school on February 6th, 2023. The Kindergarteners created their special snack by counting out 10 groups of 10 edible snacks. Kindergarteners dressed up as charming "hundred-year-olds." They spent the day counting to 100, reading books about 100, and writing about the many things they have learned in Kindergarten in the past 100 days.

First graders brought one hundred snack items each to celebrate the big day and did several different activities counting to 100. Second grade celebrated a different way and had a special "TWO's" day, on 2/22. They did things in groups of two, dressed up with a twin, and had special snacks that come in sets of two.

We are glad that the little kids had a great time celebrating in different ways. We have wonderful teachers who help make school a fun place to be.

The Kindergarten Class dressed up for the 100th day of school.

## KINDERGARTEN SPOTLIGHT

*By Gary Brennemann, Parker Provost, and Juliana Merrihew*

This month's kindergartener spotlight is about Raelynn, Jamie, Deacon, and Hanah. These awesome kids bring so much light to the school and they were a blast to interview!

Deacon Keys is a kindergartener at Hyannis Area Schools. He has 3 siblings, Jax, Kensley, and Payden. Deacon has two dogs, Rip and Ruby. If Deacon had one million dollars, he would buy a lot of candy and move to Mexico all by himself.

Jamie Holcomb likes to ride his bike and also ride horses. He has one sister, Everleigh, who is in 3rd grade. Jamie likes to play with his cattle set and his toy dirt bike. If Jamie had one million dollars, he would buy a mansion with a hot tub and big bedrooms.

Raelynn Felkins likes drawing and playing outside in her free time. When it comes to sports, she likes to play basketball. Raelynn's favorite colors are all of the colors, but especially purple and green. Her favorite food is strawberries, and she even has a stuffed animal cat named Strawberry! If she could have one superpower, Raelynn would have the ability to fly. When she grows up, she wants to become a horse trainer.

Hannah Minor would really like a rabbit. She also enjoys playing volleyball and cards. For fun, Hannah likes to ride her horse and jump rope. When Hannah grows up she wants to be a Dentist.

We are lucky to have these awesome kids as part of the kindergarten class!

Deacon Keys

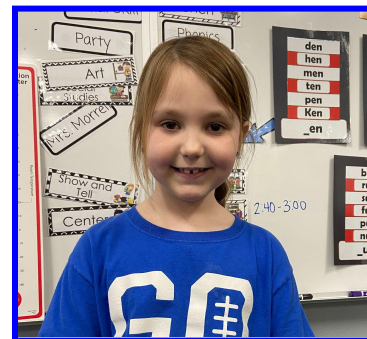

Jamie Holcomb

Raelynn Felkins

Hannah Minor

## FFA FOOD SCIENCE

*By Rylee Anderson (12th)*

Several members of the Hyannis FFA Chapter traveled to North Platte on January 25th, 2023 to compete in the District Food Science and Biotechnology Career Development Events.

Members competing in Food Science were Wyatt Phillips, Tyrell Smith, Max Leth, Stetson Parks, Cash Davis, Trevor Kohl, Rylee Anderson (11th grade), Parker Provost, Dom Boppre, Evan Merrihew, Jake Connell, Faith Ferguson, Bailee Leonard, Daniel Taylor, Kylee Lee, and Abbi Rath.

Members of the Biotechnology team were Rylee Anderson (12th grade), Zachary Lee, Max Kostman, and Gary Brenneman.

Biotechnology Team Members

Hyannis FFA Chapter Members

## SENIOR SPOTLIGHT:

### WYATT PHILLIPS

*By Ben Connell*

The 2023 Hyannis senior class is full of exceptional students, and one of these is Wyatt Phillips. Wyatt was born in Climax Springs, MO, on November 3, 2004. Wyatt grew up in Missouri before moving to Hyannis to begin attending school here as a 4th grader. His immediate family includes his father, Mark, his mother, Missy, and his two sisters, Bailee and Jade. He also has two dogs, a shih tzu named Hank and a Boston terrier named Pru.

Wyatt's favorite activity at Hyannis is by far lifting. He enjoys weights class and takes pride in his lifting abilities. He also has many other hobbies he enjoys. Wyatt loves to hunt and fish with his family and friends. He also loves to sing. Wyatt's favorite food is pepperoni pizza, and his favorite candy is a Salted Nut Roll. One fun fact about Wyatt is that he broke his arm by jumping off a bridge into a river when he was six. Wyatt plans to study AG business in college, though he is still determining what college to attend. We are very excited to see Wyatt graduate this spring and are honored to have had him as a Longhorn!

## HYANNIS BB GUN/AIR RIFLE

### MEET

*By Kanen Grant*

The Hyannis BB gun meet was on February 19, 2023, at Hyannis high school in the gym. There were 70 BB gun shooters, and 15 were from Hyannis. There were 26 air rifle shooters and 3 were from Hyannis. These are all the kids from Hyannis and their scores out of 400 and 1st-6th got metals.

8-year-olds: Scarlett Sweet- 240 placed 3rd, Logan Minor- 222 placed 5th, Stytle Retzlaff- 185 placed 7th  
9-10-year-olds: Talon Minor-315 placed 4th, Waylon Hebbert- 322 placed 9th, Tenley Drieling- 307 placed 12th, Triston Mansor- 299 placed 15th, Kaitlyn Minor- 288 placed 18th, Turner Anderson-258 placed 21s  
11-12-year-olds: Dillon Hebbert- 358 placed 3rd, Colter Grant- 343 placed 6th, Daisy Frye- 332 placed 9th, Audrabell Werth- 281 placed 16th  
13-15-year-olds: Dylan Frye-367 placed 6th  
11-12-year-old: Air Rifle shooters: Dillon Hebbert- 207 placed 2ed  
13-15-year-olds: Air Rifle: Dylan Frye-263 placed 4th, Regan Anderson- 252 placed 5th

Hyannis placed 2nd in BB gun as a team out of 9 total teams. Air Rifle got 5th place out of 7 teams.
