*Staying in the loop with Hyannis Area Schools*

## HYANNIS SPEECH: THE FAITHFUL FOUR

*By Emily Gentry*

The Hyannis Speech team had a very successful season this year! The team was very small, but what they lacked in quantity they made up for in quality. The team consisted of four members: Ami Evans, Emily Gentry, Orabella Heaton, and Zeek Heaton. The team was coached by Jeanne Gentry and Natoshia Heaton. All of the members competed in Oral Interpretation of Drama (OID). Emily Gentry also competed in Serious Prose and Entertainment. Orabella Heaton competed in Humorous Prose and Zeek Heaton also competed in Extemporaneous Speaking.

The season started early with Emily Gentry competing at three invitationals in Scottsbluff, Chadron, and North Platte, and got some good practice in before officially starting the season.

The entire team competed at Conference in Mullen on February 25th. The team did really well in OID. Orabella competed well in Humorous but did not

make it to finals. Zeek Heaton placed 5th at conference in Extemp and Emily Gentry placed 2nd with her Entertainment and was Conference Champion with her Serious Prose! Despite being the smallest team competing, they placed 4th overall out of 13 teams.

On March 7th the team competed at the District Competition in Arthur. Orabella Heaton went out and performed well at Districts, but didn't make finals and ended up placing 7th overall. Zeek Heaton wrote and performed a wonderful Extemporaneous speech, but did not qualify for state placing 5th. The OID team went and amazed and ended up not only qualifying for state but also were District Champions. Emily Gentry performed excellent programs that both qualified for state placing 3rd place with her Entertainment and was District Champion with her Serious Prose. Once again the team placed 4th place overall.

The team competed at the State competition in Kearney on March 17. The team did really well and put their best effort into the speeches, but unfortunately did not final. Emily Gentry missed finals with her Serious Prose by one point and ended up being 7th place overall.

The team did really well this year. Even though they were a small team they accomplished many feats over the course of the season. We will miss the seniors on the team but wish everyone luck in their future endeavors and we hope that our speech team will do even better next year! Good job to all the speakers this season and we are proud of all of the things you have accomplished!

## MOBILE FOOD PANTRY

*By Gary Brennemann*

On March 14th, 2023, the Food Bank for the Heartland visited Hyannis. The Food Bank for the Heartland is a non for profit organization that focuses on providing food for those struggling with hunger in Nebraska and Western Iowa. The food delivered to Hyannis was donated by the program. Members of the NHS program volunteered to help at the food bank. Forty boxes of food were donated. These boxes included carrots, potatoes, oranges, and onions. There were also loaves of bread donated along with boxes of non-perishable food items. As civilians arrived, the NHS kids would load them up with a box of vegetables, a loaf of bread, and a box of non-perishable food items. People were able to pick up multiple boxes for other families. Of the 40 boxes, there were only 14 left. The Food Bank for the Heartland was a huge success in our community and provided food for many members of Hyannis and the surrounding area.

## YOUTH BASKETBALL TOURNAMENT

*By Juliana Merrihew*

On February 25th, Hyannis Area Schools was excited to host a youth basketball tournament for youth teams in the surrounding areas. Girls and boys teams attended and were divided into 3rd-4th graders and 5th-6th graders. Many schools attended, including Mullen, Sandhills-Thedford, Arthur, Cody-Kilgore, and, of course, Hyannis.

Games started bright and early at 9 am and went until 4 pm! Each game was played in 2 halves, with a short halftime between, and lasted approximately 20 minutes. The teams were also given a short warmup period before they played.

The High School basketball team ran the concession stand throughout the day to raise money for purchasing youth basketball jerseys. They sold tacos, nachos, popcorn, and tons of baked goods and were able to raise a lot of money! A big thank you to everyone who volunteered to referee the games, including Mr. Hawk, Layne Ferguson, and Jett Holthus, as well as to all of the high school students who ran the clock, ran the books, and referred as well. Finally, a big thank you to all of the youth coaches who run the programs, and to the parents for bringing their kids in and investing in the youth sports program!

## READ ACROSS AMERICA

*By Juliana Merrihew*

“The more that you read, the more things you will know. The more that you learn, the more places you’ll go!” You might recognize this quote by Dr. Seuss about the value of reading. This month, Hyannis students got to celebrate reading, and what better day to do it than on Dr. Seuss’s birthday, also known as Read Across America Day!

On March 2nd, students came to school dressed as their favorite storybook characters. There were kittens, cowboys, and even the mouse from “If You Give a Mouse a Cookie.” The National Honors Society participated in the celebrations as well. Throughout the day, NHS members from the high school went to the classrooms and participated in activities with the kids. They read books to the younger kids and took turns sharing their favorite books with the older kids.

To end the day, everyone attended a Dr. Seuss party in the commons area. There were snacks and coloring pictures for everyone!

## MISSOULA

*By Ben Connell*

This March, Missoula came to Hyannis to put on a show! They arrived on the second to last week of March to begin preparing for a performance of “The Frog Prince”. The play was to be directed by the two Missoula representatives, Brianna Dorsey and Joise Gold. They started off by holding an audition on the first day. All the kids were given a part based on their skills and where the directors thought they would fit best. Throughout the week the kids and directors worked tirelessly practicing scenes, handling props, and memorizing lines. On Friday the kids did a full costume rehearsal to prepare for the show on Saturday. On the day of the show, the kids performed at 4:00 pm. Many supportive community members came to watch the cast and directors and enjoyed a great presentation of The Frog Prince. After the culmination of all their hard work, the cast took a bow to end a great week of Missoula Childrens Theater. We love seeing what Missoula does at Hyannis every year and we can’t wait to see what they bring to Hyannis next year!

The cast stands on stage for a curtain call

Here is the cast list for The Frog Prince, 2023:

**Swamp Frog** - Laramie Duffield

**Castle Frog/Prince** - Kody Carpenter

**Ollie Aspen Tree** - Anna Anderson

**Bert the Alligator** - Landon Leonard

**Princess Prim** - Adee Arnold

**Princess Proper** - Lila Brennemann

**Princess Peppy** - Clara Rice

**Knights** - Clara Adam, Brecken Cover, Kash Provost, & Kinzie Provost

**Swamp Things:**

- **Dragonfly** - Everleigh Holcomb
- **Mosquito** - Scarlett Sweet
- **Turtle** - Turner Anderson
- **Mama Duck** - Shaylee Provost
- **Baby Ducks** - Kaleah Heaton & Jameson Rice
- **Swan** - Layton Macy
- **The Fly** - Maggie Leonard

**Venus Fly Traps** - Deacon Keys, Jamie Holcomb, Skeet Brennemann, & David Sheets

**Accompanist** - Kathy Cover

**Jones / Maria Von Fly Trap / Queen** - Joise Gold

**Director** - Brianna Dorsey

A big thank you to everyone who assisted with the Missoula production this year! Thank you to Mr. Hawk and the administration for making it possible. Thank you also to Austin Casper, Emily Gentry, Gary Brennemann, Nancy Anderson, and the STRIV team for streaming the production so family and friends could watch from afar. A big thank you also goes out to parents for driving their kids in for rehearsals every day this week. Especially a big thank you to the amazing directors who created a fun show for everyone to participate in! We are looking forward to next year!

## FFA WEEK

*By Danny Taylor*

What is FFA week all about? Well, FFA week is a time when FFA members get together with all the kids in the school and inform them what FFA is all about. The start of FFA week didn't have any activities on Monday and Tuesday. Wednesday was the first activity where k-2nd graders got informed on what FFA was and how it can help them in life. On Thursday, 3rd-6th Grade went to the first stage of activities where they all learned what events they could do once they got into FFA. Then grades 3rd-6th went to the commons area to learn about Career Development Events (CDEs). The CDEs were livestock judging, food science, and meat judging. After the activities were done, they celebrated with treats. Then, on the last day of FFA week, the FFA members held a winter dance on Friday. I hope everyone had a great week and hope that many more come.

## NATIONAL AG WEEK

*By Mrs. Nancy Anderson (kindergarten)*

National Ag Week brought a special visitor to the kindergarten and first-grade students. Kathy Cover, the Secretary/Treasurer of Grant County Farm Bureau, shared a book called "I Love Strawberries" with the students. It was a fun picture book about a little girl who wanted to grow her own strawberries. She proved to her parents that she was responsible enough to grow and harvest strawberries. The students then enjoyed a sweet strawberry to wrap up the visit.

Cathy Cover reads "I Love Strawberries" to the kindergarten and 1st-grade students.

### TEACHER'S CORNER: PI DAY

*By Mrs. Robyn Jones (7-12 Math)*

Happy Pi day! Who doesn't love Pi?! March 14th was spent celebrating Pi(e) here at Hyannis in the Junior high and High school math department! Students from each class brought pies, cookies, brownies, or other desserts to share with everyone. I want to take a minute to thank all the students (and parents) who brought stuff! 7th grade: Ian Anderson, Tom Connell, Lila Brennemann and Ade Arnold brought delicious pies, cookies, and a cake! 8th grade: Ella Lincoln, Paige Vinton, and Georgie Carr brought yummy pies! 9th grade: Bailee Lenord, Kade Olson, Danny Taylor, Kevin Hernandez, and Orabella Heaton had so many choices for us to choose from! 10th grade: Mrs. Nollette made mini peanut butter pies! Finally, the 11th-grade: Max Leth had a super yummy pie as well! We want to thank all the students and parents who contributed to Pi day!

We had a lot of coloring activities and a Pi day worksheet too. Geometry is a very hands-on class! They love to do any project that gets them working with their hands. We had them measure the circumference of the library, the DL room, the title room, and the lego room. They were broken into two groups. Parker, Dom, and Ben used a tape measure and Chase, Myles, and Gary used the electronic measuring wheel. Both teams were within 2 meters of each other! The average radius we calculated was 79.34 meters.

We also had a contest to see which students could memorize the most digits of pi! Lila Brennemann memorized 36 and Kash Provost memorized 25! They both will be getting a pie as a reward!

### SIGN UP FOR YOUR LOCAL BLOOD DRIVE TODAY!

*By Kadon Woerner*

The school is putting on a blood drive on April 19th at the Winters building. People from the school and the community are invited to come and give blood. Giving blood is a great way to help people in need because hospitals are constantly in need of blood for transfusions and other medical operations. Many patients require blood transfusions after losing large amounts of blood in accidents and surgeries. Without blood drives, these patients would not be able to get the blood they need.

Please consider donating blood at the next blood drive on April 19th! You can sign up on the Red Cross website, by contacting the school, or by emailing Cheyanne Volz at:

[cheyannevolz@hyannislonghorns.org](mailto:cheyannevolz@hyannislonghorns.org).

### **KINDERGARTEN SPOTLIGHT: JOHN, BRONC, DAVID, AND MADDOX**

*By Parker, Gary, Jorja, and Juliana*

John Vinton is 6 years old and lives south of Whitman. He enjoys working cattle with his family and riding his bike. John's favorite color is blue, and his favorite subject in school is recess. When John grows up he would like to be a rancher, and with a million dollars he would buy a hotel. For a superpower, John would like to be able to run supper fast. The kindergarten class is glad to have John and we are excited to watch John grow up.

Bronc Turpin is a five-year-old in the Kindergarten class. He is the oldest child in his family and has two siblings: Cole and Rain. Bronc says that he lives in North America and if he could visit anywhere in the world, he would go to Bomgaars. He loves cookies (any kind), and sports (also any kind). Bronc's favorite colors are yellow, pink, purple, and green. To relax, he likes to watch Dino Ranch on Netflix. If Bronc could have any superpower, it would be to fly high into the sky! Bronc has big dreams. When he grows up, he wants to be a police officer, and if he had a million dollars he would buy a toy he'd never had. We love having bronc as part of the Kindergarten class!

David Sheets is in Kindergarten at Hyannis Elementary School. He has a sister, Lydia, and he is the oldest in his family. His favorite color is gold and he likes to play outside. David likes to play with his new dump truck. If he had a million dollars he would buy a grocery store. We are lucky to have David as part of the Hyannis Schools family!

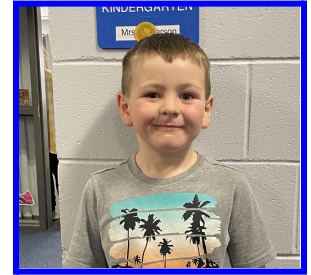

Maddox Sanchez has 3 siblings: Bryson, Corbin, and Zander. He is the youngest and is 6 years old. Maddox likes to play video games and Minecraft. He likes the colors red and gold. His hobby is going out to eat. Maddox's favorite toy is a dump truck.

April 2023 Newsletter

His favorite subject in school is playing. His favorite candy is every kind. When he grows up, he wants to be a firefighter and bull rider.

He says he is good at basketball. If he had one million dollars he would buy toys and food. If Maddox had one superpower it would be to control fire. Maddox seems like he is enjoying his time in Kindergarten with Mrs. Anderson! We are so glad to have Maddox's bright smile and great personality!

## SENIOR SPOTLIGHT: TYRELL SMITH

*By Kadon Woerner*

Tyrell Smith is 18 years old and was born in Enterprise, Oregon. He attended elementary school at Suntex Elementary. Tyrell moved to Hyannis during his sophomore year. He participates in golf and FFA. His favorite subject is work study. After graduation, he plans on ranching. Tyrell has 2 siblings: Lydia (8th grade) and Royce (5th Grade). His family has 4 dogs. In his free time, Tyrell likes to hunt, do shop projects, fish, and go to brandings.
