Introducing

the bull for the 80's

He's longer, taller, smoother. The kind that won't quit till the work is done. He's the All American, developed by Double Hook Ranch for Sandhill conditions. This new style Charolais bull is ready to meet the

challenge of the 80's — lean beef and rapid gains. Backed by years of careful selection, the All American has the features cattlemen everywhere are looking for.
