# A RAZOR SHARP YEAR

LAYOUT AND COPY BY PETER SCHREURS, CHARLES FERGUSON AND BRYON POWLES

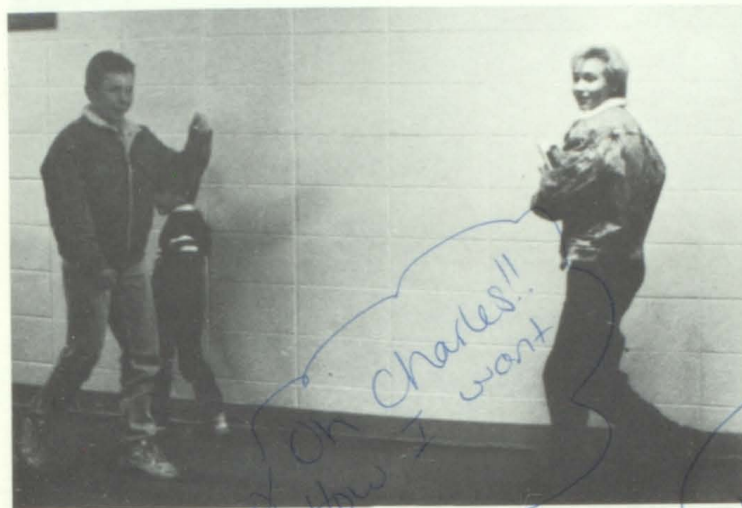

Razor Sharp! That's the best way to describe the students at HHS. Throughout the year the students always seemed to be on the cutting edge of whatever they worked toward. The beginning of the school year didn't just mean the start of athletic practices it also meant the students had to keep their minds working on another year at HHS.

# PEOPLE OF HHS WORKING TOGETHER

BY ROBERT EVANS  
COPY BRYON POWLES

The students at HHS, what an interesting group? They come in all sizes, shapes and forms. There are the freshmen, who are starting to learn the ropes. Then there are the sophomores suffering through geometry and speech class. For the juniors there is only one question — Algebra II or not Algebra II. The seniors face the drudgery of suffering through one more year of school before they are finally out. Yeah! Let us not forget the rest of the other people at HHS, the teachers, who spend many, many hours trying to drill information into our minds. The groups of sharp students at HHS certainly make this school a keen place to be.

# Administration & Staff Give Students the Edge

The 1991-92 administration and staff helped students put a razor sharp edge on their studies. The support staff helped make the job a little easier. Norma Sexson, janitor was new to the school this year. So was band and choir teacher Deanna Feddersen. This however was Superintendent Bruce's last year at Hyannis High School. He retired after fourteen years at the helm. Mr. Dyer, principal, also taught eighth grade math, Algebra II, and general math. Mr. Fisher, counselor, teaches trig, physics and careers. Mr. Ellis- Algebra I, geometry, chemistry, computers and supervises a Spanish course. Mrs. Brown- seven through ninth grade science, biology and advanced biology and health. Mr. Kraus- P.E. and junior high and high school sports. Mr. Waltman- history, junior high and high school girls sports. Mrs. Delisle- speech, drama, library and English. Mrs. Keller- seventh grade math, computers, and business classes. Mrs. Garner- English, annual, journalism. Mr. Miller- Vocational classes. Miss Hueftle- home economics. Unavailable for picture special ed. teacher Mrs. Boots.

# JUNIOR CLASS

BY RANDY CRAIG

The junior class had an active year. To start the year off they had a dance which helped raise money towards Prom. Other fund raisers were a balloon sale and slave auction which rounded up about \$500. The class came together during Homecoming Week and won hall decorations in the senior division with the theme "Nightmare on Trojan Street." They were led by President Bryon Powles and Vice President Richard Evans. The rest of the class officers were as follows: Secretary-Trenda Naab, Treasurer-Jess Cole, News Reporter-Lorena Chick, Student Council-Robert Dyer and Sentinel-Josh Guerue. The class consisted of 16 students before Adam Mardesen moved away. The class was sponsored by Doug Hulinsky.

# HYANNIS SPORTS ON THE CUTTING EDGE

BY ROBERT EVANS  
COPY BRYON POWLES

Sports-One of the most popular extracurricular activities for the students at Hyannis High School. Whether it be football, volleyball, wrestling, basketball, or track nearly everyone in the school participates in at least one sport and many participate in all three. Of, course, it would not be possible without the great leadership of our coaches. Let us not forget our five cheerleaders who supported our teams through it all. The Booster Club continued to help the teams in as many ways as they could. Yes, the topic Sports is definitely on the cutting edge of the list of extracurricular activities at HHS.

1. Cheerleaders: Anne Dredla, Randi Sheets, Amanda Taulbee, Jodi Smith, Traci Merrihew. 2. Brad sweeping around the outside. 3. Coach Waltman given pep talk. 4. Seniors speaking at a pep rally before Homecoming. 5. Football players going out to shake hands after the victory over South Platte. 6. Hyannis volleyball team getting ready to set up their defense. 7. Coaches watching to see what the team is going to run.

# They Were on the RAZORS EDGE!

BY ROBERT EVANS

HHS Football looking to improve last year's 3-6 record returned 13 letterwinners. And improve they did! The Longhorns pushed themselves to a 7-3 record with a trip to State Play-offs against Hayes Center (40-6). The 91 schedule was changed from the previous year dropping Cody and Culbertson. Cody went to a 6 man team and the distance to Culbertson was eliminated. The schedule added Lodgepole and

South Platte. Coach Kraus stated, "I was very pleased and extremely proud of the way our football team progressed this year. Our seniors provided the leadership on and off the field and a lot of our success was due to them. We also had great support from our underclassmen and if they work hard they should enjoy another great season next year."

## 3-14 Season

BY RICHARD EVANS

Although having a tough season, the Volleyball team had many positive thoughts. The Longhorns 3-14, were coached by Janice Kraus; assisted by Marina Garner. This year the Longhorns had 13 players: Seniors Anne Dredla, Tracy Merrihew, Jennifer Donner and Sami Knott. Juniors Tenda Naab, Jodi Smith and Lorena Chick. Sophomores Amy Simpson, Lisa Brown, Jeanne Sexson and Jody Younkin. Freshmen Rachel Meyer, Randi Sheets and Student Manager Amanda Taulbee. Point leaders were Lorena Chick-71, Jodi Smith-65, and Stacy Donner-52. Jodi was also leading spiker. Anne Dredla was assist leader. When asked who the most improved player was, Kraus responded, "Tenda Naab." Kraus plans on improving the team by going to a 5-1 offense setting with a middle blocker.

# Hyannis High Basketball

BY JOSH GUERUE

This years basketball team was on the Razors Edge. Hyannis basketball team ended the season with a 12-9 record and was one game away from making the State Tournament. This year was full of excitment. The Longhorns went into overtime two times against Tryon. Tryon won the first time but the Hyannis Longhorns won when it counted, at districts, but suffered a disapointing loss to the Lewellen Tigers in the final game of districts.

## Brown ends career; Craig breaks takedown record!

**BY PETER SCHREURS**

The Hyannis wrestlers, coached by Bryan Wilson, doubled in size from last year going from 3 wrestlers to 6 this year. There were two freshman wrestlers this season, 1 sophomore, 2 juniors and 1 senior. Peter Schreurs wrestled at 103 and ended the season at 1-12, Chris Brown wrestling his last year in high school finishing the year at 15-6 and placed first at districts and 5th at the state wrestling tournament. Randy Craig wrestled at 145 at the beginning of the year and after Christmas break dropped down to 140. He finished the year at 22-8. He placed first at districts and 4th at state. Ethan Schreurs wrestled at 160 this year and ended the season with

a 6-16 record. Abe Wilder a newcomer to the wrestling program showed great enthusiasm coming off a broken leg mid way through the season and finished the season with a 11-12 record, Abe placed 4th at districts and 6th at the state wrestling tournament. Freshman Mike Botts wrestled the Heavy Weight Division and ended the season at 0-8. Randy Craig surpassed Chris Brown's old record for takedowns in one year (41) by racking up 50 takedowns. Hyannis qualified 3 out of the 5 wrestlers who competed at the district meet held in Mullen. Peter Schreurs did not wrestle at the district meet due to a back injury caused in practice.

Jeramy Blocker and Matt Stuke placed 4th at the Mullen Invite., Willie Craig, the most experienced wrestler, went on undefeated and won the Mullen Invite. Chris Kraus coached the team and was assisted by Chris Brown.

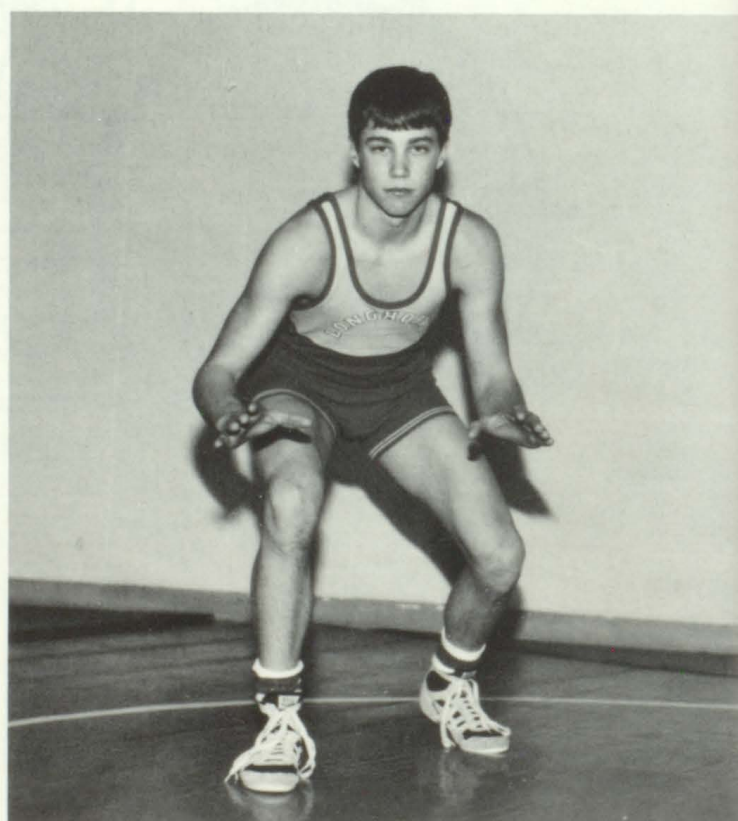

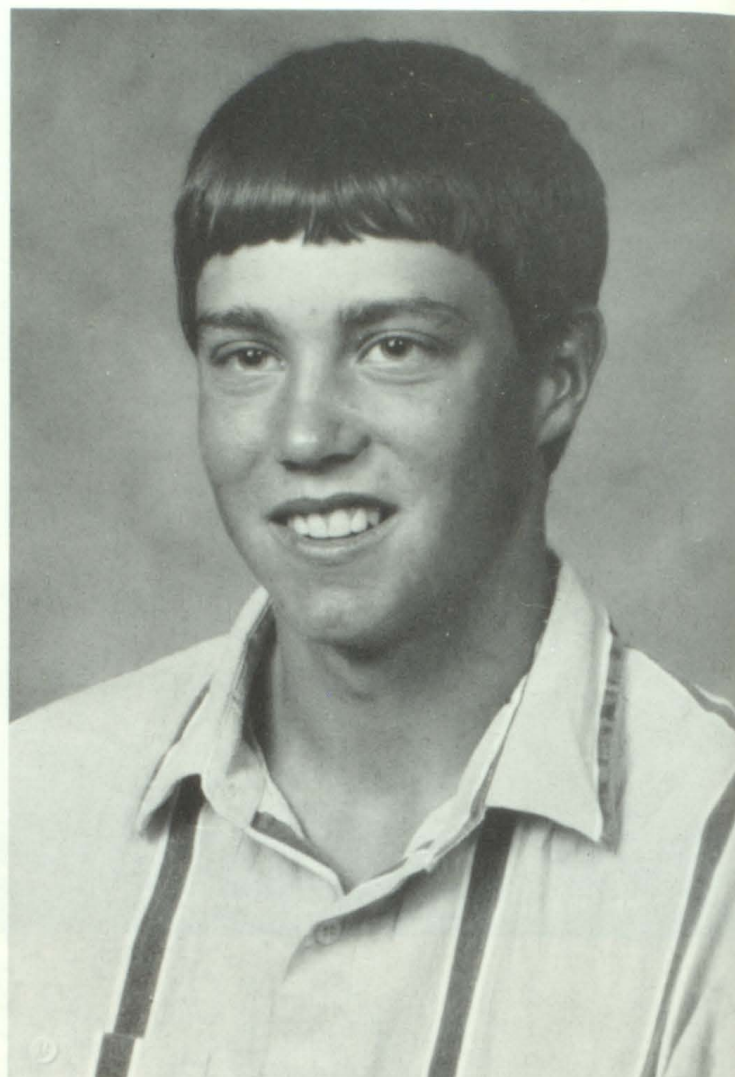

# Jess Cole Memorial

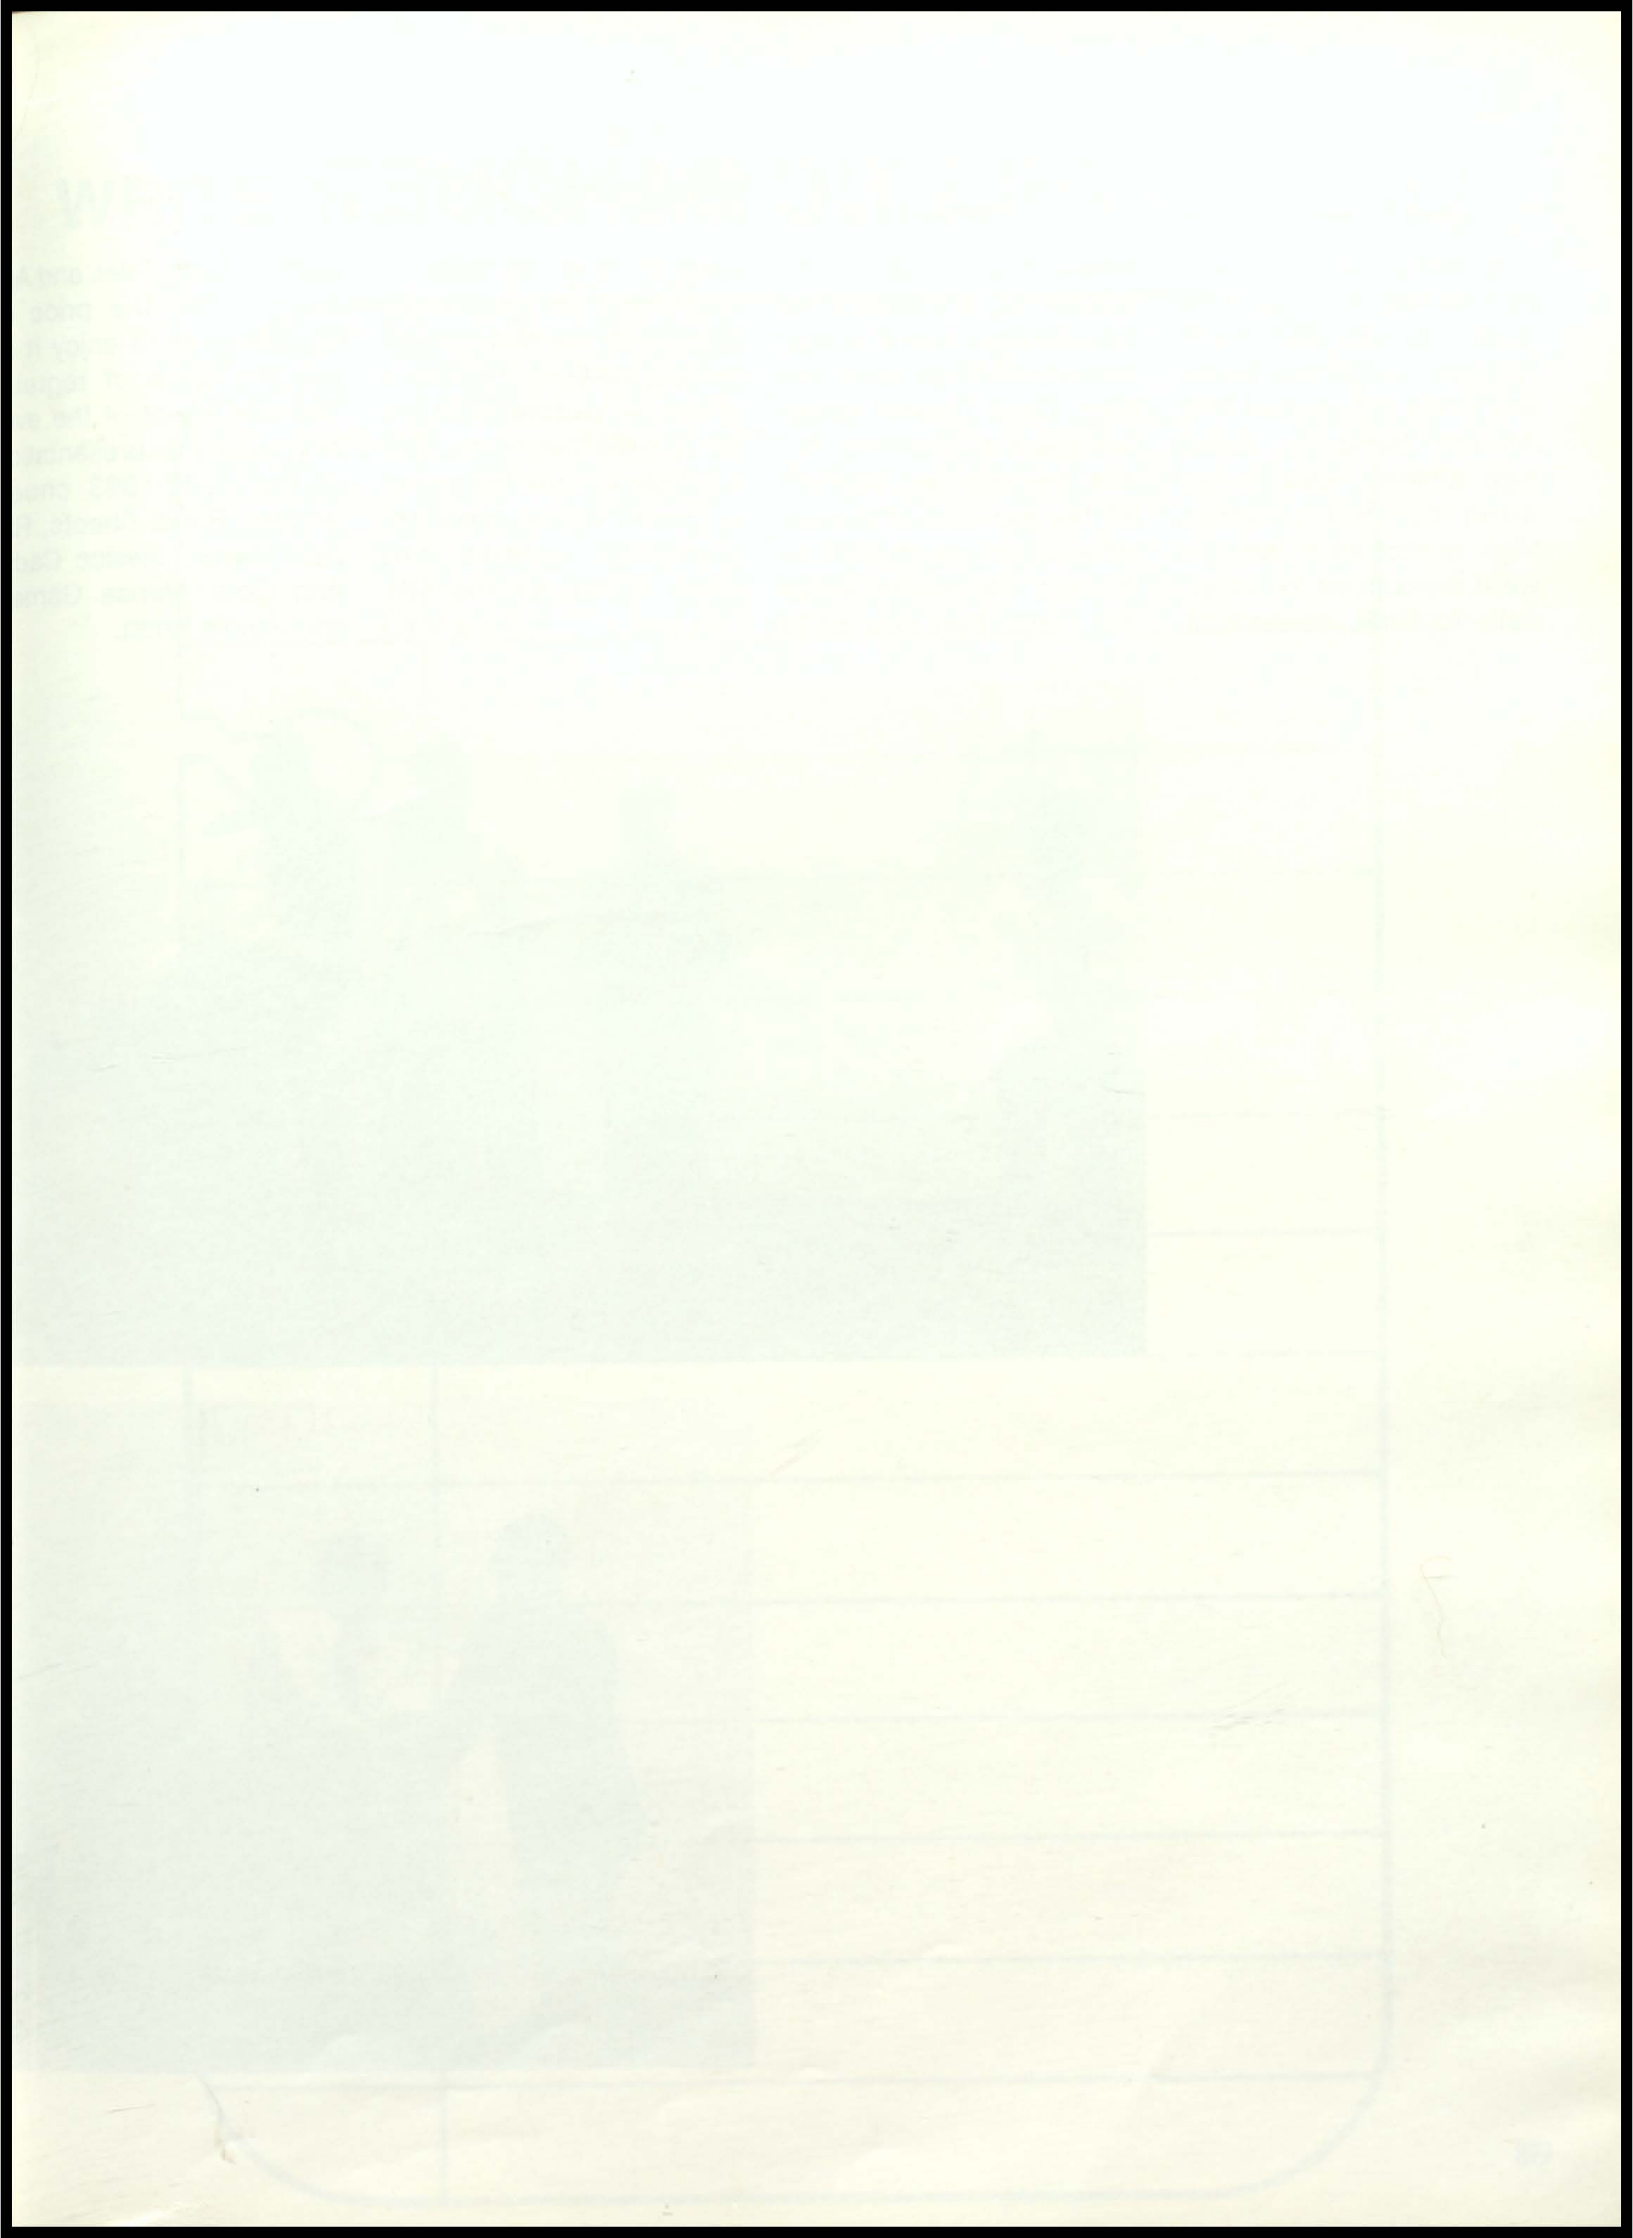

by Josh Guerue

Jesse Joe Cole left us on January 5, 1992 when Jess and his dad Robert Cole were in a plane crash. Jess was born on November 20, 1974. Jess was a person that everyone liked and enjoyed to be around. You could always find Jess in the locker room trading fishing and hunting stories with Coach Kraus. Jess never let anything hold him back. Jess was involved in FFA for three years, H-Club for two years, football for three years, wrestling for three years and track for one year. Jess was a inspiration to all of us. We will never forget you Jess.

2. Jess was active and really competitive in wrestling. 3. Jess pictured with his prize muley which he claimed was the "granddaddy of them all."

# ATHLETIC BANQUET

Athletic Banquet was held on May 15, 1992. President of Booster Club, Kevin Kostman welcomed everyone to the 45th annual HHS Athletic Banquet. Junior high athletes were recognized by their coaches. High school letter winners were announced for volleyball, football, basketball,

wrestling, and track. Before announcing the speaker for the evening Kevin Kostman announced three sport athletes. Chad Teichert volleyball coach at Cokeville, WY was the speaker. Teichert left the audience of student athletes with much food for thought. He spoke about four things they needed to

keep in mind. 1.) Take responsibility for your life. 2.) Begin with the end in mind (have a mission). 3.) Have a dream — picture what it's like to fulfill that dream. and 4.) There is unlimited power in specific written goals. He closed his remarks with these words for the athletes . . . ' ' T r a v e l

Light! . . . Look, Feel, and Act Sharp. . . Pay the price of discipline, you'll enjoy it or pay the price of regret. The final event of the evening was the presentation of the 1992-1993 cheerleaders: Randi Sheets, Rachel Meyer, Jessica Cadby, Ann Cole, Marisa Garner and Jennie Knott.

By Richard Evans

Anne Dredla, News Reporter Brian Brennemann, Student Council Tracy Merrihew and Niki Grote. They helped out with the tutor program at the grade school. They didn't do any money making projects, but finished selling the candy from last year.

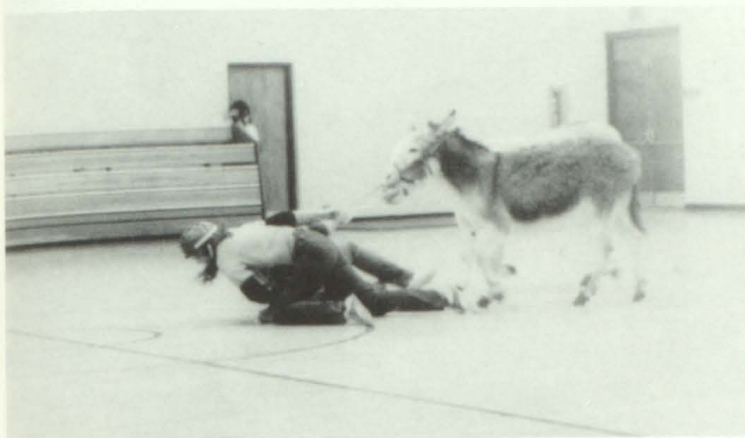

## Student Council Looks Classy

The student council once again did the same thing they have always done. They organized homecoming festivities.

including dress up days, the crowning of royalty, the dance and also sponsored the window decorations. They decorated the Christmas tree. The officers were President Chris Brown, Vice-President Richard Evans, Secretary Rene Olson, Treasurer Robert Dyer, News Reporter Jennifer Donner. Other members were Sondra Fix, Bob Fox, Ryan Sexson, Daniel Dyer, Charles Ferguson, Brad Daugherty, Josh Garner, Wade Kramer, Misty Anderson, Sami Knott, Josh Guerue and Tracy Merrihew. Their sponsor was Mr. Ellis.

# FFA

BY BRYON POWLES

The Hyannis FFA was keener than an axe this year. Once again they sold fruit and had a donkey basketball game as their major money-making projects. They attended several contests with a good showing almost everywhere they went. It was these contests that allowed Hyannis FFA Chapter members to practice and qualify for contests to be held at State Convention. This was where the Hyannis FFA made their best showing. The Sr. Livestock Judging Team came home State Champs and the Jr. Team placed third! The Welding Team placed 6th and the Livestock Management Team Placed 10th. Amanda Taulbee received 2nd gold in Creed Speaking and Brian Brennemann received a silver in Extemporaneous Speaking. Clint Sexson placed 1st in Ag Sales & Service Proficiency. "In all, the Hyannis FFA Chapter had a very profitable and successful year, with much experience and knowledge gained."-Byron Powles

Is that donkey basketball or wrestling?

# FHA

The Hyannis FHA kept sharpening their skills this year. They continued to clean up the community by picking up trash in their Adopt-a-Highway program. They shared with people of the community with their Adopt-a-Grandmother and Little Sister programs. They made several trips, which included attending SEARCH Conferences, District Meetings, and then in the spring, State Leadership Conference. This year's officers are as follows — President-Jodi Smith, Vice President-Tracy Merrihew, Secretary-Kristi Kimble, Treasurer-Anne Dredla, Student Council Rep.-Misti Anderson, Scrapbook-Lisa Brown.

## H-CLUB CUTTING THE PATH FOR FUTURE ENDEAVORS

By Robert Evans

H-club attended the Nebraska vs Missouri game. They also had concessions at the Hyannis Wrestling Tournament and Girls District Basketball Game. H-club: Pres. Clint Sexson; Vice-Pres. Robert Evans; Sec. Jess Cole; Treas. Bryon Powles; News Reporter, Aaron Manning; StuCo. Josh Guerue; other members: Robert Dyer, Randy Craig, Bryan Taulbee, Brad Daugherty, Justin Vinton, Josh Garner, Ryan McCune, Ethan Schreurs, Eric McCune, Richard Evans, Abe Wilder, Brian Brennemann, Chris Brown, sponsors Bob Waltman and Chris Kraus.

## HAFA LOOKS TO SHARPEN THE FUTURE FOR GIRLS ATHLETICS

BY ROBERT EVANS

One of the things Hafa did for money making projects was concession stand for boys district basketball. They also raffled off a hundred dollar bill at halftime of the Homcoming football game.

Hafa: President — Anne Dredla, Vice — President — Jodi Smith, Secretary — Amy Simpson, Treasure — Tracy Merrihew, News Reporter — Trenda Naab, Student Council — Sami Knott, other members are — Jeanne Sexson, Lorena Chick, Lisa Brown, sponsored by Joy Brown.

# ORGANIZATIONS

# Annual

BY CHARLES  
FERGUSON

Several students worked on this years yearbook. The theme was THE RAZORS EDGE. There names were Robert Evans, Richard Evans, Peter Scherus, Charles Ferguson, Randy Craig, and Josh Guerue. The students worked very hard creating a book that would detail the action of HHS students.

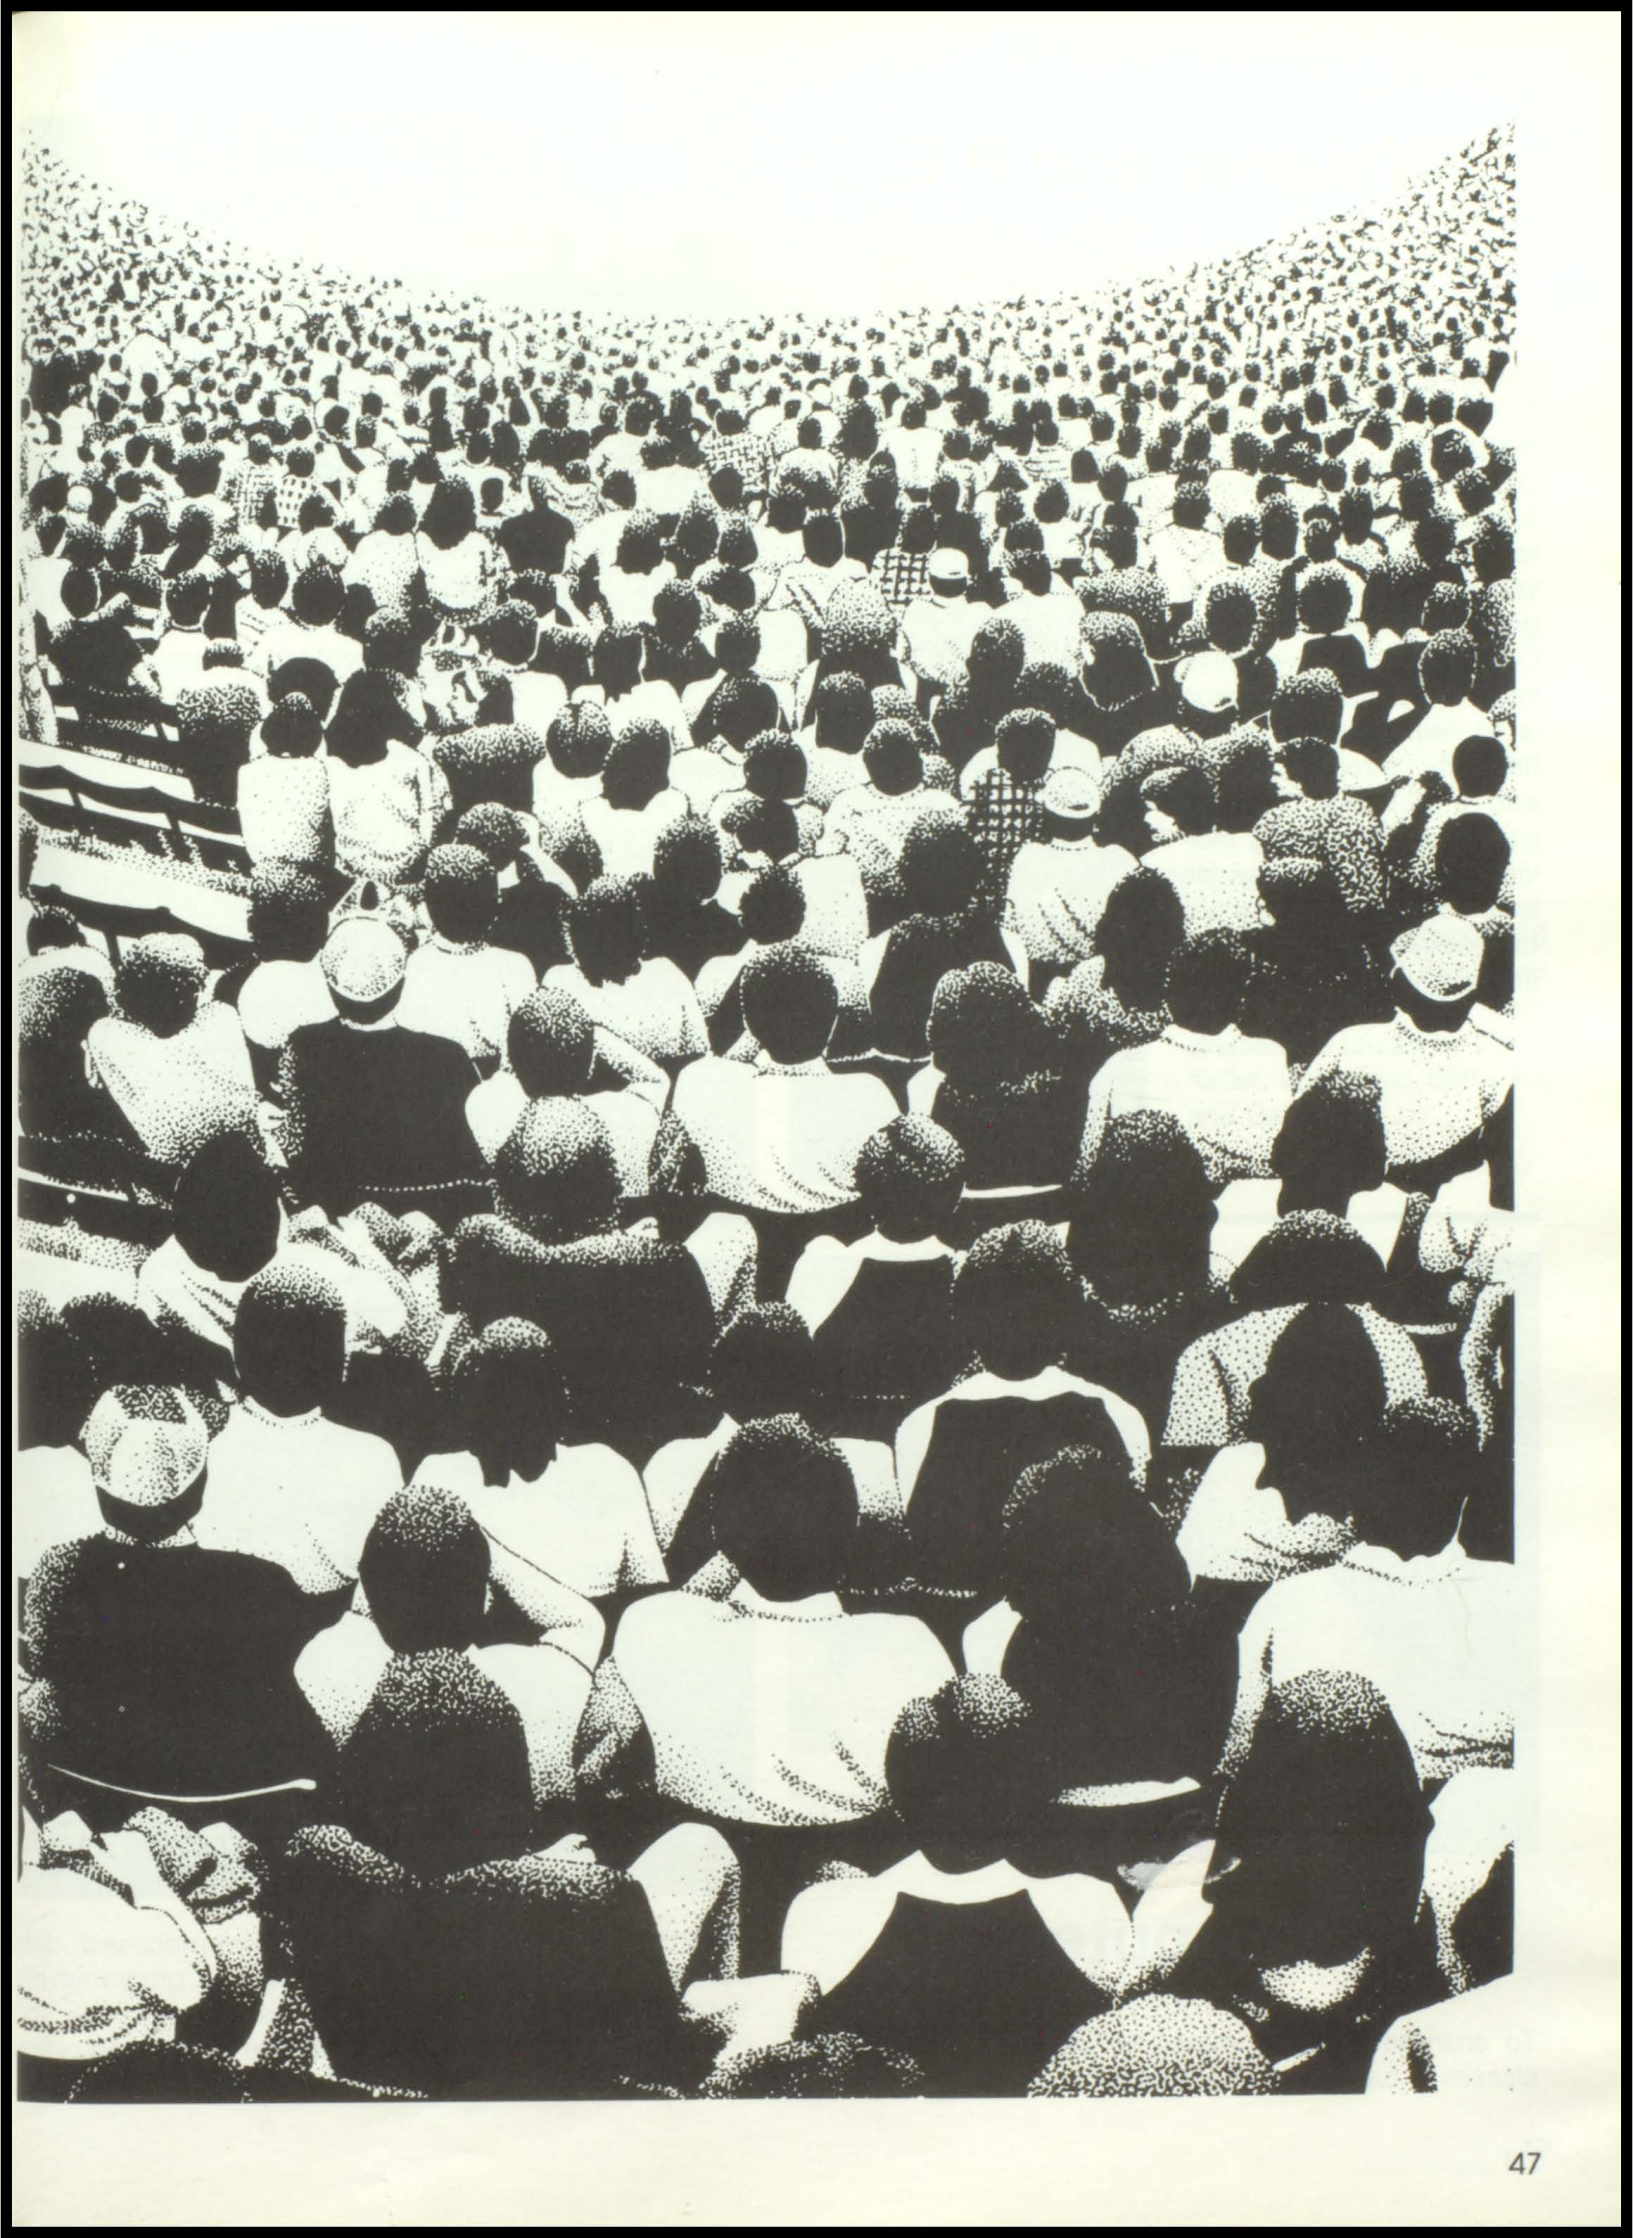

## Journalism

The HHS Spotlight news was found in the local Grant County newspaper this year as there were not enough students enrolled in the class to do a separate school paper.

Kristi Kimble, Niki Grote and Bryan Taulbee wrote for the first paper firs semester. Bryan was the only one who continued second semester. Sponsor was Mrs. Garner.

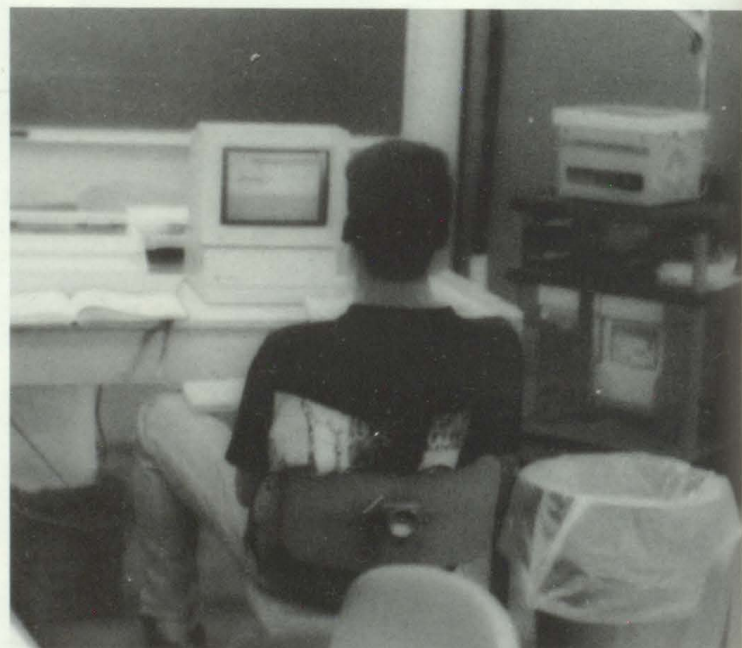

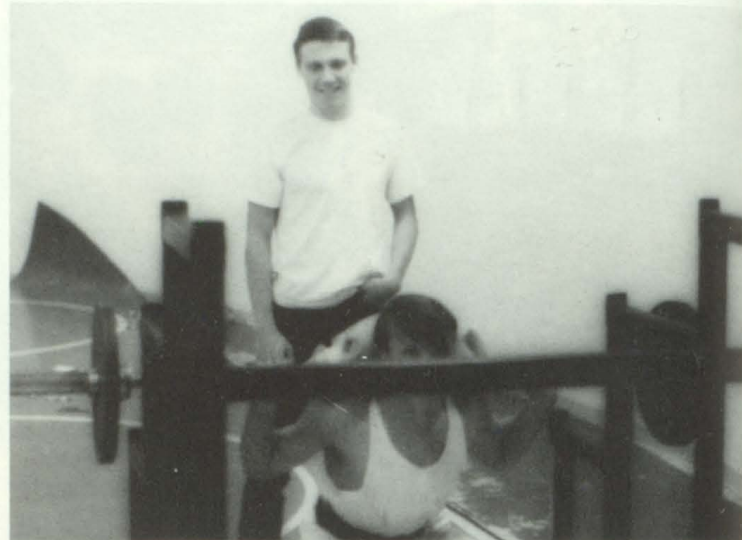

# Weights and P.E.

By Richard Evans

An important part of developing a well-shaped body is dedication to weightlifting and physical education. These classes help teach individuals how to care for their bodies, prevent injuries and keep in good physical conditions. Other thing that weightlifting and P.E. do for a person is to help develop speed, flexibility, strength, agility and endurance. This all goes towards helping individuals improve in sports and how they feel about themselves. These courses are taught by Chris Kraus.

Brad working hard at lunges. Bert working lower body at the squat rack. Mr. Kraus watching his weights class to make sure they do it right. Robert messing around during seventh hour computer class. Aaron working hard at the computer.

## Computers

To sharpen students minds for the future HHS offers classes in basic computer language and appleworks pro-

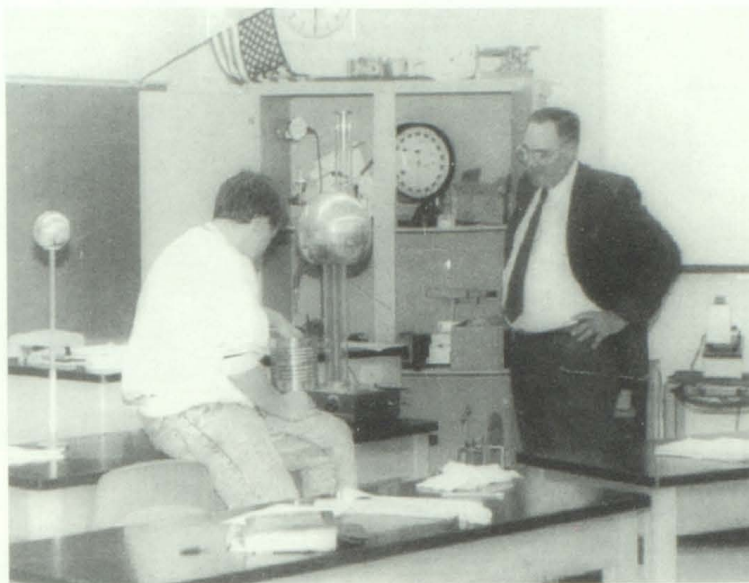

gramming. Appleworks includes the word processor, data base and spreadsheet. Basic is a class in programming. These two classes help students learn how to use and operate computers for schoolwork and in the workplace. These courses are taught by Cindy Keller and Cliff Ellis.

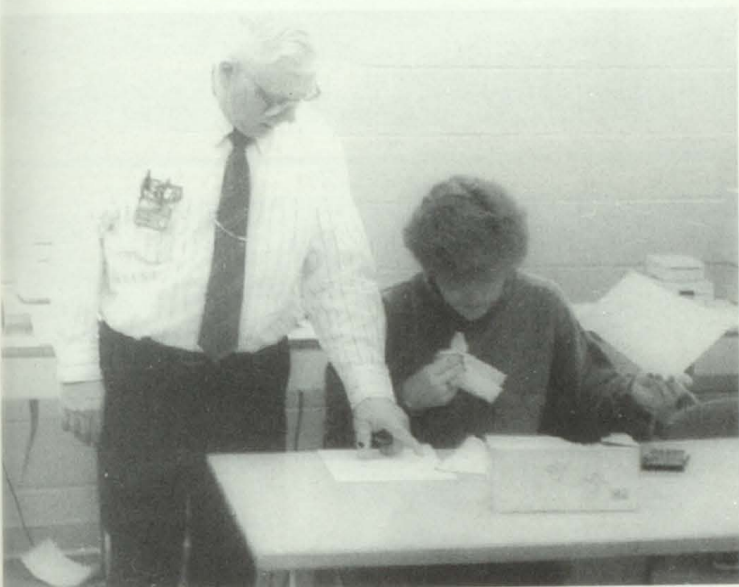

# Science

**By Charles  
Ferguson**

Science involves a lot of experience probably more than any other classes. The students perform experiments to help them understand the basic concepts of biology, physics, and chemistry. Junior high science and biology are taught by Joy Brown, physics by Gail Fisher and chemistry by Cliff Ellis

Mr. Fisher helping John Wright with his experiment. Amy receives help on her geometry.

## Math

**By Charles Ferguson**

$(xy^2)+7=54$ ? Not at Hyanis High School! People who spend hours and hours teaching everything from basic arithmetic to trigonometric equations and

graphs are helping HHS students to achieve their biggest goals. The math classes are taught by Cindy Keller, Walt Dyer, Cliff Ellis, and Gail Fisher.

Mrs. Garner studying her students' papers.  
Mrs. Delisle's English class working on their assignment.

## STUDENTS HONE THEIR ENGLISH SKILLS

by Robert Evans

This years English teachers Mrs. Garner and Mrs. Delisle worked to sharpen their students skills in vocabulary, literature, composition, and grammar. Jr. high students were exposed to more writing while high school students continued to develop their writing skills, with journals, essays, term papers, etc, over topics stemming from the literature of American, British, and modern day writers.

## Social Science Shapes the Unsharpened Mind

by Robert Evans

Mr. Waltman helping the seventh graders.  
Eighth graders waiting for the bell to ring.

Social Science consists of World Geography, Nebraska History, World History, American History, and Government these classes are taught by Mr. Bob Waltman. Each year American History students attend County Government Day.

## Band and Chorus Perform For Many Audiences

This year's music groups had many opportunities to perform.

They attended Oktoberfest in Sidney.

The students later performed for OTC Music Clinic at Arthurin

November. They entertained at the

annual Christmas Concerts. In February they attended District Contests at Chadron State College. Anne Dredla represented the music department at High Plains also at Chadron. They concluded the year with the Spring Concert.

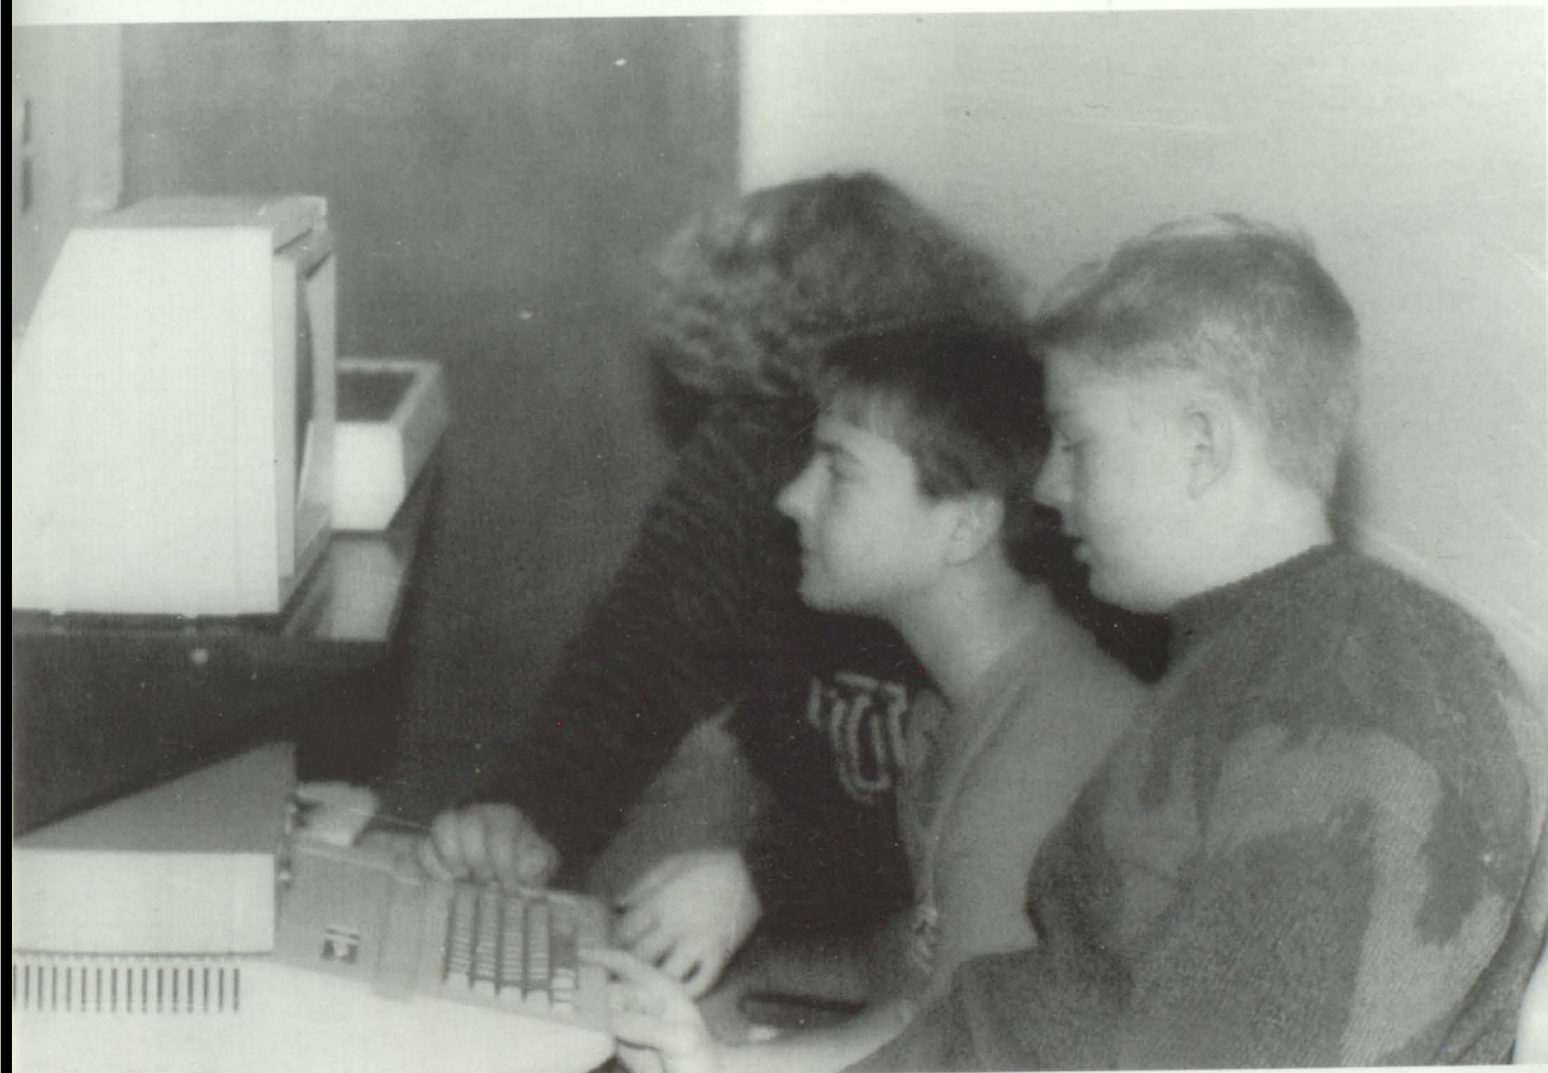

# Vocational Classes

By Bryon Powles

Vocational Class — Life skills classes. These include classes like Ag Education, Home Economics, Accounting, Woods, and Typing. These classes allow students to learn with hands-on experience. In Ag Education students learn about range judging, live-stock judging, welding, and livestock management. Through Home Economics students practice their skills at cooking, sewing, child development, and independent living. Account-

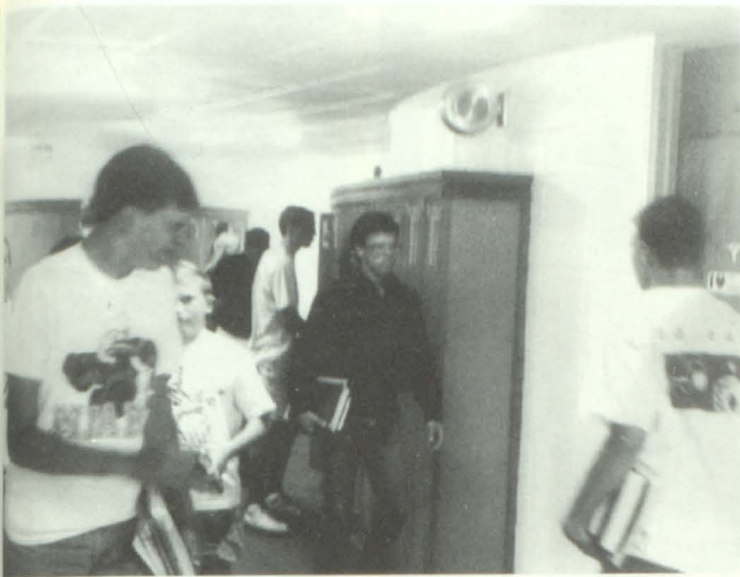

ing students learn the basic fundamentals of accounting. Woods class allows students to build wood projects while learning about different types of woods. We must not forget the freshmen typing class where freshmen take on the agony of learning to type without looking at the keyboard. Vocational classes are definitely an important part of the education curriculum at Hyannis High School.

# SPELLING CHAMPS

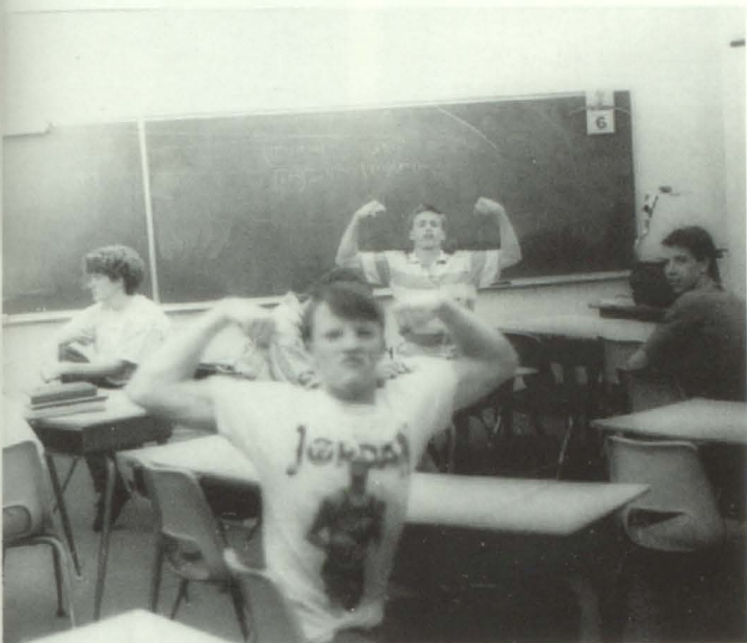

## Student Life

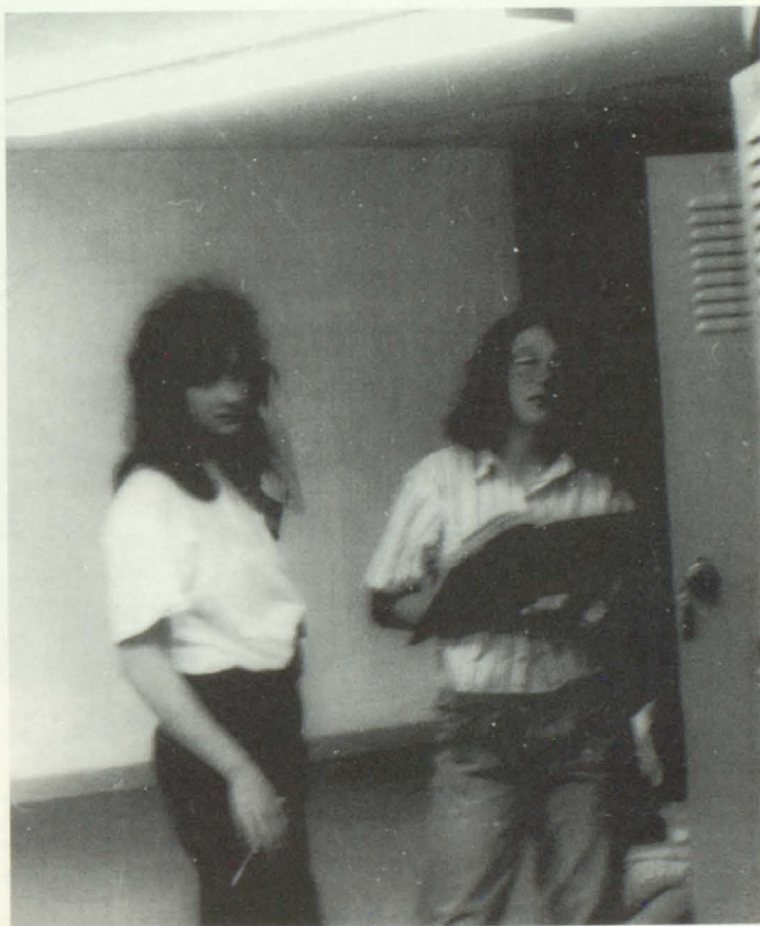

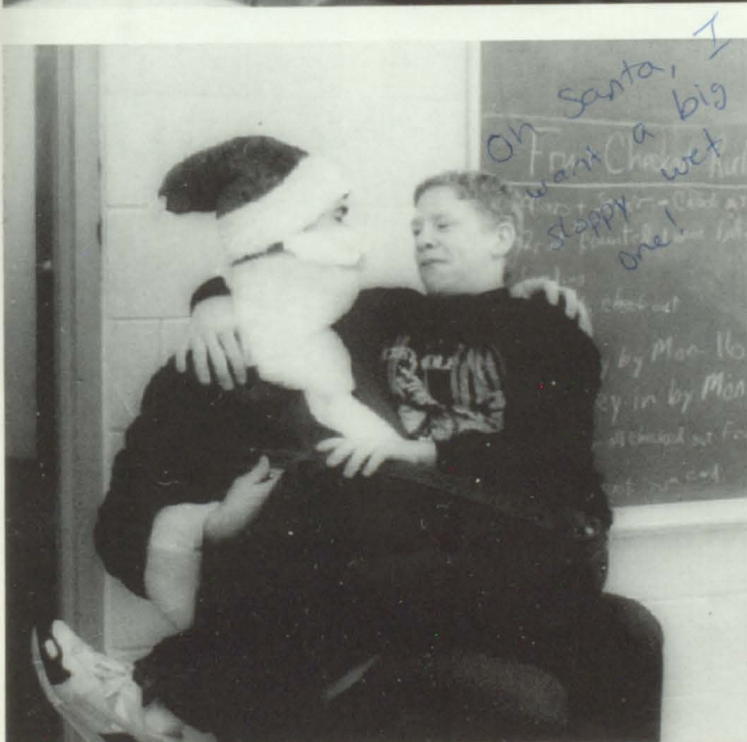

By Richard Evans

When the final bell rings, the students went their separate ways and life began. If not involved in sports or extra-curricular activities, they were at dances, movies, working, cruising, taking a road trip, hanging out or home vegetating in front of the T.V.. All these activities kept the students busy all during the school year.

Many times the students felt like there was too much going on. Although school took up the majority of the students' time, they still found time to have fun. So with so many things going on, students had little time just for themselves. Still they always succeeded in finding their own style.

Aaron freaks out walking down the halls. Bert and Brad acting tough. Trena and Laura hanging out at the lockers. Chris Brown asking Santa Claus (Clint Sexson) for his Christmas gifts.

"Homecoming week was not very exciting until we wasted Thedford." Josh Guerue

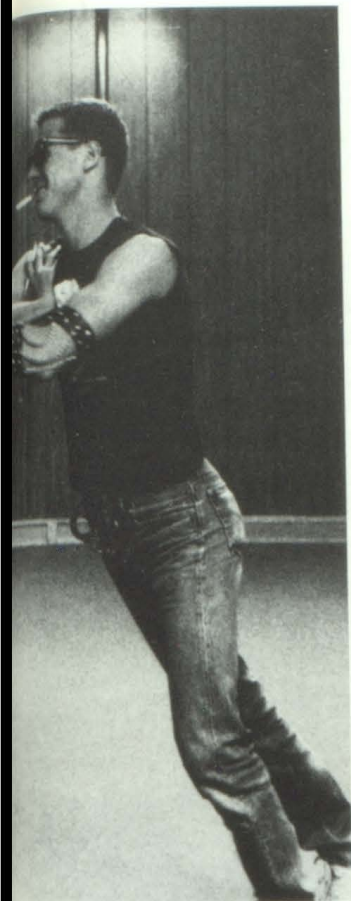

# HOMECOMING

BY PETER SCHREURS

Homecoming Week was Oct. 14-18. On Monday almost everybody dressed like a "Punk;" Tuesday students supported HHS by dressing like their favorite teacher; Wednesday they came in their pajamas; Thursday students dressed crazy; and on Friday students dressed in blue and white to support the football and volleyball teams. Also on Friday was hall decorations. The Juniors won with their theme "Nightmare on Trojan Street." The Sophomores won window decorations with their theme "Days of Thunder." The volleyball team lost to Thedford 0-2. After the football team beat Thedford 46-30, the royalty was crowned. Clint Sexson was crowned king and Jennifer Donner was crowned queen; their attendants were Chris Brown, Anne Dredla, Aaron Manning, and Tracy Merrihew.

# WORLD NEWS

The 1991-1992 World News covered everything from constructing Biosphere 2 to the tragic news of Magic Johnson. On September 14, 1991 Carolyn Suzanne Sapp from Honolulu, Hawaii was crowned Miss America. On July 11, 1991 the moon slipped over the sun in the celestial ceremony of the eclipse, turning day into night for thousands of viewers and scientists. Magic Johnson, whose beaming smile and sparkling play entertained basketball fans for more than a decade, announced in November 7, 1991, that he had tested positive for the AIDS virus and was retiring. Johnson, whose given name is Ervin, received his nickname from a Lansing, Michigan, sportswriter after a 36-point, 18-rebound, 16-assist performance in high school. Mark Rypien was named MVP of the Redskins 37-24 Super Bowl victory over Buffalo on January 26, 1992. Most of the evening was spent completing 18 of the 33 passes for 292 yards and two touchdowns. Don Mattingly received national attention in August 1991, for more than his baseball expertise. A flat refusal to get a haircut resulted in his being benched just before the New York Yankees game against Kansas City. President Bush and former Pres-

idents Carter, Nixon and Ford joined Reagan in the first gathering ever of five past or current Presidents to open Reagan's presidential library. After all the twists, turns and tension, the closest of World Series ended in the closest of games. The Minnesota Twins Jack Morris squeezed past the Atlanta Braves 1-0 on pinch hitter Gene Larkin's single in the bottom of the 10th inning October 27, 1991, to win Game 7 and end Baseball's most dramatic odyssey. A sealed structure of steel and glass will be "home" for two years to four men and four women. The structure called Biosphere 2, is about the size of 2 1/2 football fields and contains all necessities of life. For two years, nothing will be introduced to this environment from the outside.

# THE '92 PROM LOOKED SHARP

By Peter Schreurs

The band "Tantrum" playing for the students. Chris Brown and Tracy Merrihew Prom's King and Queen. Rona Deboer and Randy Craig enjoying themselves. Mr. Hulinsky and his wife and Mrs. DeLisle looking on while prophecies and wills were read. Prom royalty and attendants, Eric Mcune, Sami Knott, Brian Brennamann, Kristi Kimble, Tracy Merrihew, Chris Brown, Stacy Stumpff, Doug Stednitz, John Wright.

"Love of a Lifetime" was the theme of this year's prom. During the banquet Junior class president Bryon Powles welcomed students, dates, faculty and board. The juniors mothers prepared a delicious smothered steak menu served by the senior mothers. Jr. Jodi Smith read prophecies and senior Eric McCune read the wills. The junior class did an outstanding job decorating the gym with black and white balloons, vases and columns. The band "Tantrum" from Chadron, NE provided the music.

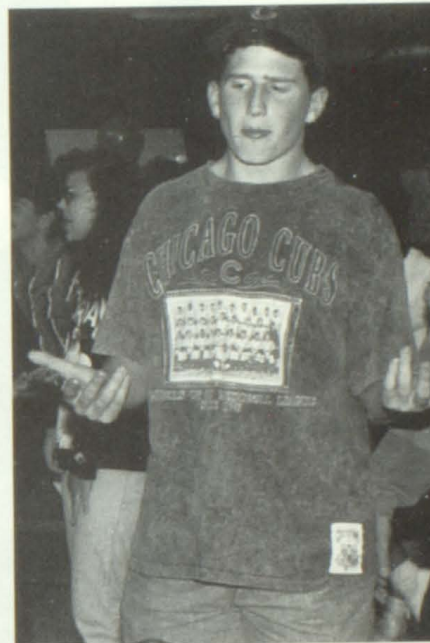

# HHS Students Roared into the Morning!

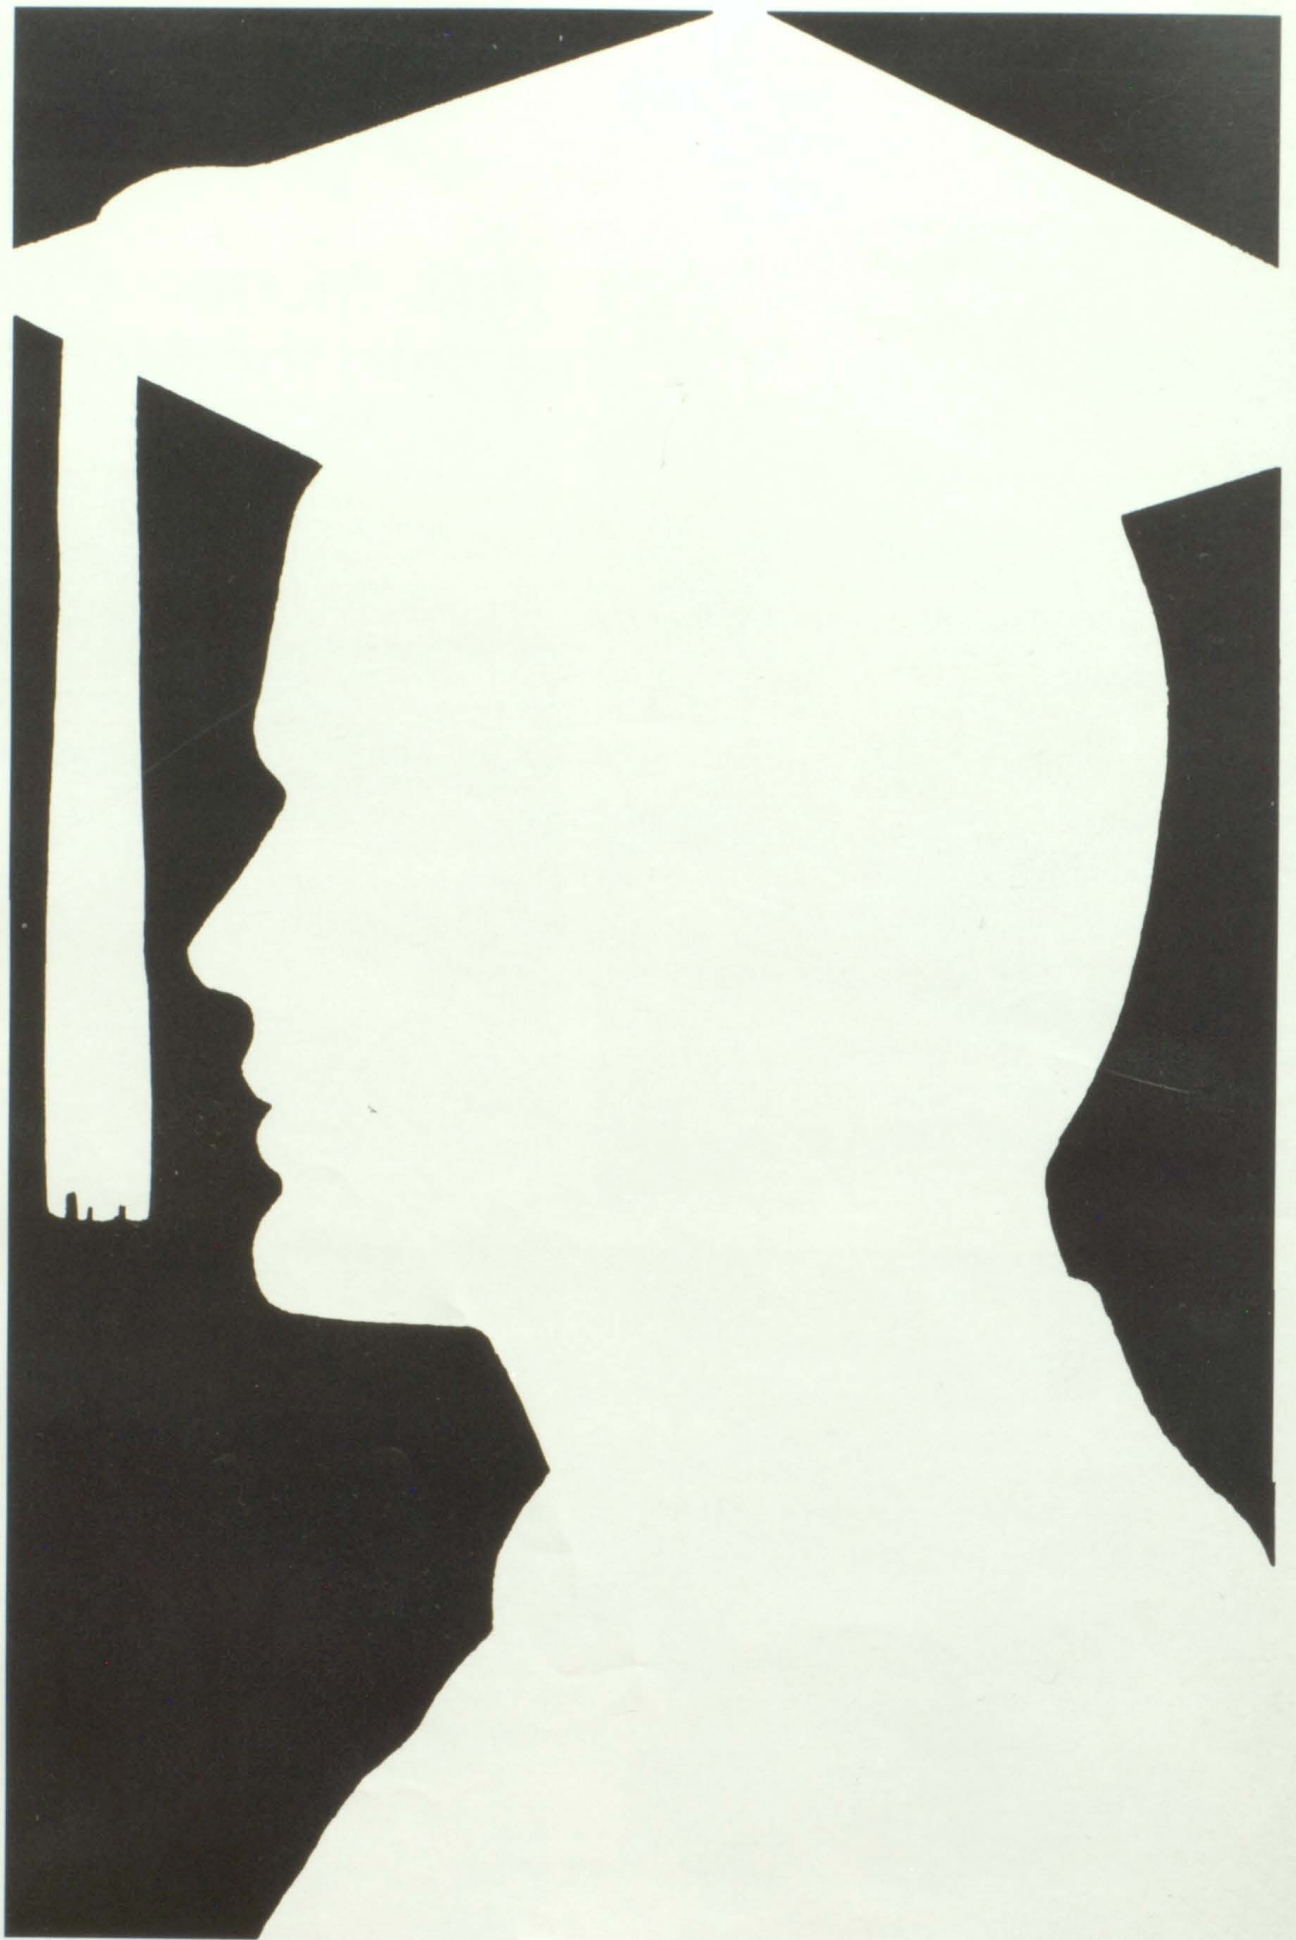

BY PETER SCHREURS

With the theme "Circus '92" this years After Prom party looked less like a party and more like a Circus. There were many

games to play and lots of money to win. Richard Evans was the big money winner with 45,000 followed by Brian Brennamann. Events during the night included the limbo, bubble blowing contest, darts, etc. And the food just kept coming.

Chris Brown accepts his diploma from Dan Vinton board member and Walt Dyer principal. Niki Grote with a big smile as she marches to the "Recessional". The graduating class of 1992! Anne Dredla sings the class song during Commencement.

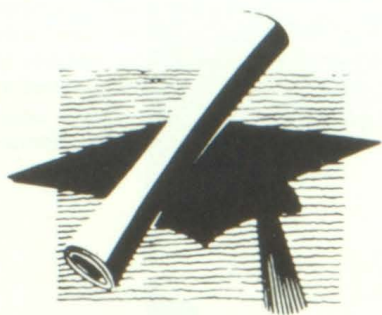

## GRADUATION '92

The senior class of 1992 was definitely ready to graduate as the class valedictorian and salutatorian, Brian Brennemann and Clint Sexson, pointed out in their graduation addresses.

## AREA ADVERTISERS SUPPORT ANNUAL

In a small community, many activities and opportunities would be unavailable if it weren't for the support provided by the community. The same is true for school. Our students wish to thank area business people for their support of the annual. The annual staff is able to not only publish a great annual, but the school is allowed to teach yet another important lesson to students: Meeting and working with the public. I truly believe that it has been a a good learning experience for my students

because the business people are so willing to help. When a student has spent a few hours suffering over his sales pitch to only stumble over his own words with the owner of a business it's wonderful that the owner will help and encourage him over a rough spot. As advisor of the annual for the past several years I would like to Thank the business people for their support and encouragement for my students. THANK YOU!
