Student Needs Group

The student needs group began as part of the School Improvement Student Needs Committee. It helps students have a better way to communicate their ideas and thoughts. The group meets at least once a month with committee members to discuss any items of concern. These concerns are taken by the Student Needs Committee to the School Improvement Committee for further discussion and action.

The student needs group has helped students receive more recognition for achievement by the awarding of Citizenship recognition for each quarter. They have also had celebrations for academic excellence and plan to have more activities for the student body.
