Mission Statement

The mission of Hyannis Area Schools
is to provide all students with the knowledge, skills and experiences needed to become life-time learners and productive citizens
with the support of teachers, parents, students and community.

A Year of Compassion

Jeff shows compassion in the acceptance of foreign exchange student, Stig, as did all of the students.

Bree & Bailey show compassion to Marika. Seeing her struggling with a math problem, they lend a helping hand without being asked.

A Year of Compassion

The theme for the 2010 Longhorn Yearbook came from looking back at the year and realizing what a compassionate group of students Hyannis Area Schools have. They accept everyone as one of their own. Not to say they are always nice. No, they are like siblings... they may fight with each other... but no one does meanies with them. They have each other's backs. They truly become compassionate about many things.

These five seniors show compassion as they donate blood to save lives.

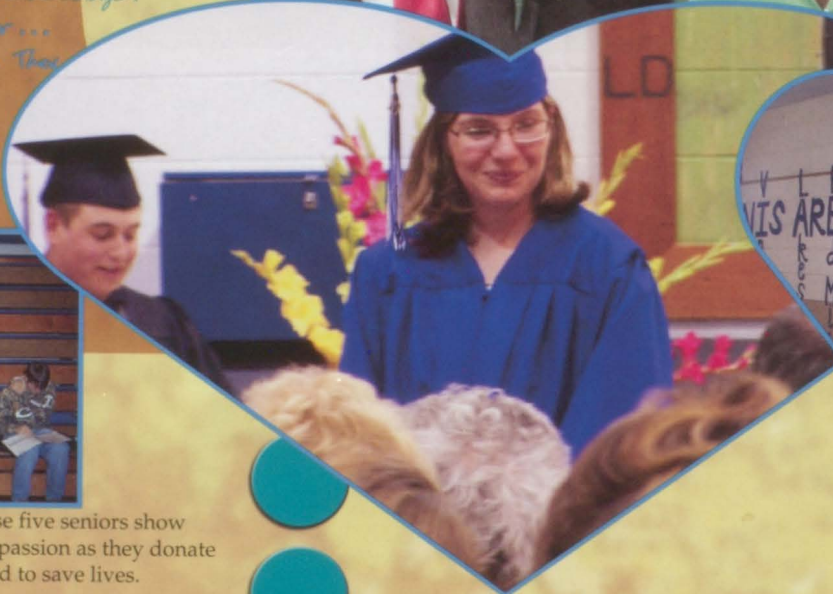

Compassion is shown by Lori Davis, as she volunteers her time and talent to the flag team.

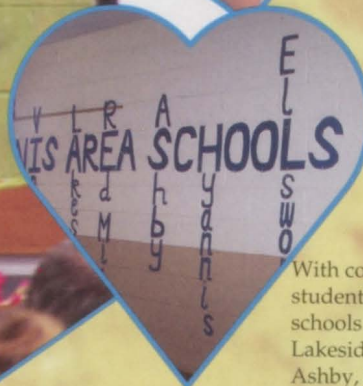

Hyannis Elementary students and staff show their compassion for others, by giving mittens and scarves for those less fortunate.

Prom was most certainly a night of compassion... just look at the expressions... and this is before Tanner is even crowned king.

Compassion for his classmates is shown in his class reflections at graduation. Colby proclaims, "Minda, you will always be a queen!"

With compassion, students from schools at Vinton, Lakeside, Redmill, Ashby, Ellsworth, Whitman, Bingham, and Hyannis come together to form Hyannis Area Schools.

Coach Braun instills compassion for school spirit as he convinces the guys to join AcaDeca. Otherwise there would not have been a team. These young men did not merely join the team, but compete with all the compassion they can muster, as well as talent.

There is always compassion for Santa, but Justin's seems extra special.

Six students become compassionate enough about their grades to be inducted into National Honor Society.

The Class of 2010 is an amazing class in many ways. They lead their peers to State in all areas of school--athletics, academics, drama, and speech. They always have fun no matter where they are. Oh, they are definitely mischievous, fun-loving, and get into their share of trouble, but never lose sight of where they are headed. Their compassion overflows to everyone around them. They will go far in life, in one way or another. The old hometown has not heard the last of the Class of 2010.

ALL-STATE, ALL-DISTRICT D-2 FOOTBALL TEAMS

"I was very pleased with the success that our football team enjoyed this year. Most of the credit should go to our upper classmen, because they exhibited what it takes to become successful. Pride, desire, commitment, and a good work ethic will hopefully be passed down to our younger players from our juniors and seniors. If we show these traits our team will be successful no matter the outcome of our games."

Sandhills Smiles Photography

"The season was a vast improvement from the previous two. Consistency, good attitudes, hard work and team commitment were the driving forces for this year's improvement. The girls mentally gained more from this year than the past two, they went into games with confidence and it showed through for the majority of the season. The Homecoming game against Cody-Kilgore is a great example of what the girls are capable of."

"I thought we played good basketball this season. We did play too inconsistently, which made it hard to progress the way we should have. I would like to extend a "thank you" to our seniors, who gave us solid leadership and at all times showed sportsmanship. To the underclassmen, I will challenge them to work hard in the off-season and make themselves and our team better next year."

"The best thing that happened to us this year is that we won some games and that in itself is a huge accomplishment. We played a very tough schedule this year and had to play teams that were more experienced and confident than we were. We could have won a few more games I thought, but experienced some growing pains and it took us a while to get through those. We moved in the right direction and played some good basketball at times and it was fun to see the girls develop throughout the year."

Sandhills Conference Runner Ups

This was a very talented group of 7th and 8th grade girls that were just fun to be around. The difficulties of trying to get in some quality practice time with the shortage between Arthur and Hyannis and the weather was the hardest thing we had to overcome. Our games were our practices and that's how we had to adjust things on the court. It was a fun team to coach and watch develop throughout the year. I really enjoyed working with Coach Heather Kramer and this group of young girls.

HHS One Act Team

Sandhills Smiles Photography

"This year is what I thought would be a 'building year'. With only one truly experienced actor and a few that had minimal acting experience, I was concerned that we may have a tougher time getting to a competitive level. One Act isn't completely new to these actors. Most of them have been on crew and have seen what hard work can accomplish. I never cease to be amazed at what students will do if you challenge them. This cast and crew rose to and exceeded my expectations. I applaud them."

This is the 2009-2010 journalism staff. Not that they are segregated or anything, but the girls make up the 2010 Longhorn Yearbook staff and the boys are the 2010 *Spotlight Newspaper* staff, with Willy as student editor.

"This year's staff was enthusiastic and fun. They worked hard and took pride in their work. The yearbook took on a new creative look!"

Cornhusker

Boys & Girls State

Cornhusker Boys & Girls State are annual citizenship programs designed to provide youths with a better understanding of how city, county, and state governments operate. Each participant learns how governments operate by actually doing the job. Each individual campaigns for office, holds office, takes part in band and chorus, competes in athletics, are involved in other varied activities, and set up their own state government and draft a bill. The programs take place in Lincoln, Nebraska during the summer.

TeamMates

End of the Year Fun!

Dick and Cody try their skill at building cups. Looks like Cody might win this one!

Kim and Shania shake their booties to rid the strapped-on tissue boxes of ping pong balls.

Linda and Ty scramble to sort M&M's by color. Hustle, Linda!

All of the mentors and mentees were treated to pizza after the games.

Trish and Skylor try to blow each others' cups off the table.

BreAnna and Peg win the drawing to compete in the final championship game of emptying a tissue box in a minute.

BreAnna wins! Their smiles show that it is all in good fun.

WHOOPIE!!!!!!!!!!!!!! All of the tissues are tossed into the air.

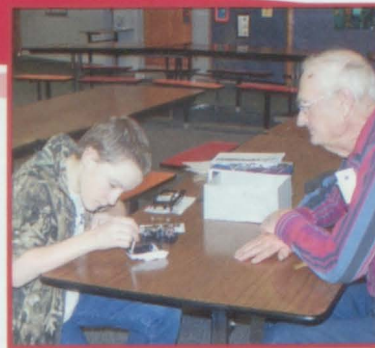

Tom and Nancy Osborn founded the TeamMates Mentor Program in 1991 in effort to provide support and encouragement to school age youth. Youth meet one hour per week with a caring adult, who serves as a mentor. Mentors are volunteers from the community, who have dedicated themselves to making a difference in the life of a young person.

Blake & Joy
Blake Johnson and Joy Boyer team up each week, usually to play a game and visit.

Shania & Kim
Shania Bozzetto and Kim Foreman take time to play a game of Scrabble.

Cody & Dick
Cody Clarke and Dick Peters used their weekly time to construct a model car.

**The mission of TeamMates is
to positively impact the world by inspiring youth to reach their full potential.**

The background of the page is a vibrant, abstract collage of red and white elements. It features a variety of geometric and organic shapes, including stars of different sizes and orientations, concentric circles, and swirling lines. Some elements have a halftone or dotted texture, while others are solid red or white. The overall composition is dynamic and celebratory, with a strong sense of movement and energy. The word "Activities" is prominently displayed in the upper left quadrant, partially overlapping the graphic elements.
